

**A not-for-profit long-term care community**

### **Revive and Thrive: Spencer House's Tree of Life**

In 2012 the community came together to plant, water and nurture the Spencer House Tree of Life. This tree became a symbol of all that is good about Spencer House; and strengthened connections with residents, families, volunteers, employees and the surrounding community.

This tree has grown in our home; its initial campaign brought many stakeholders together, raising money for the purchase of a bus that greatly improves resident freedom. This bus became an extension of the tree of life, allowing residents to partake in community events and activities — allowing them to thrive!

While the initial campaign was a success, the bus, just like a tree, needs to be continually looked after, to ensure it is always at optimal performance. The Revive and Thrive campaign is a part of this, and all donations received go to maintaining the bus, making it possible for residents to enjoy day trips and book outings.

Once again, we are asking for your support in keeping our Tree of Life strong. Donating to this cause is a wonderful way to honour those you love, to remember and recognize a friend or peer, or to reward those who make a difference in our community, giving back over their lifetime.

A commemorative leaf by individuals and their families can be purchased for \$300. For businesses or corporate sponsors, the cost is \$1000. Your donation is eligible for a tax receipt.

To learn more about this campaign, please call the Office Manager at (705) 326-6609, ext. 2001

On Behalf of the Spencer House Board of Directors,  
Thank you for your support!
