A shareholder may attend the Meeting in person or may be represented at the Meeting by proxy. Proxies to be used at the Meeting must be received by the Company’s transfer agent, Computershare Trust Company of Canada, Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, no later than 10:30 a.m. (Toronto time) on Friday, May 17, 2019 and, if the Meeting is postponed or adjourned, no less than 48 hours (excluding Saturdays, Sundays and holidays) prior to the commencement of any such postponement or adjournment.

MANAGEMENT INFORMATION CIRCULAR

Unless otherwise indicated, or the context otherwise requires, the “**Company**” or “**Sienna**” in this management information circular (the “**Information Circular**”) refers to Sienna Senior Living Inc. and its direct and indirect subsidiaries. Unless otherwise indicated, all dollar amounts are expressed in Canadian dollars and references to “\$” are to Canadian dollars.

The board of directors of the Company (the “**Directors**”, the “**Board**” or the “**Board of Directors**”) have fixed April 1, 2019 as the record date (the “**Record Date**”) for the purpose of determining holders (the “**Shareholders**”) of common shares (the “**Common Shares**”) of the Company entitled to receive notice of and to vote at the annual and special meeting of Shareholders to be held on Wednesday, May 22, 2019 at 10:30 a.m. (Toronto time) at Vantage Venues, Sun Life Financial Tower, 150 King Street West, 16th Floor, Toronto, Ontario (the “**Meeting**”). Only Shareholders of record on the books of the Company as at the close of business on the Record Date are entitled to receive notice of and to vote at the Meeting.

Unless otherwise indicated, the information contained in the Information Circular is given as of March 31, 2019.

PROXY SOLICITATION AND VOTING

Solicitation of Proxies

This Information Circular is furnished in connection with the solicitation of proxies by or on behalf of the Board and management of Sienna for use at the Meeting, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of the Meeting (the “**Notice of Meeting**”). It is anticipated that the solicitation of proxies for the Meeting will be made primarily by mail, but proxies may also be solicited personally, in writing or by other means of communication by management or other employees of the Company, who will not be specifically remunerated therefor, or by agents of the Company who may be specifically remunerated therefor. All costs in respect of the solicitation of proxies, and the legal, printing and other costs associated with the preparation and delivery of the Information Circular, will be borne by the Company.

Notice and Access

Sienna uses the notice and access mechanism (“**Notice and Access**”) that allows the Company to provide proxy materials over the internet to Shareholders instead of mailing paper copies. Under Notice and Access, the Company can deliver proxy-related materials by (i) posting the Information Circular (and other proxy related materials) on a website other than SEDAR (as defined below) and (ii) sending a notice informing Shareholders that the Information Circular and proxy-related materials have been posted and explaining how to access them (the “**Notification**”). On or around April 10, 2019, the Company will arrange to send to Beneficial Shareholders (as defined below) a notice package containing the Notification and the relevant voting document (a form of proxy or voting instruction form (each, a “**Form of Proxy**”)) as further described below under “Proxy Solicitation and Voting — Advice to Beneficial Shareholders”. Registered Shareholders will receive a notice package containing the Notification and a Form of Proxy. In each case, the Notification will contain basic information about the Meeting and the matters to be voted on, explain the Notice and Access process, and explain how to obtain a paper copy of the Information Circular.

A paper copy of this Information Circular will be sent to you within three (3) business days of Sienna receiving your request, if the request is received prior to the date of the Meeting. Therefore, to receive a paper copy of the Information Circular prior to the proxy deposit date, you should make your request before 10:30 a.m. (Toronto time) on May 15, 2019.

Shareholders with existing instructions on their account to receive paper materials will receive a paper copy of the Information Circular with the Notification.

In accordance with the requirements of National Instrument 54-101 — *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), the Notification and Form of Proxy will be sent indirectly through intermediaries to Shareholders. Sienna will bear the cost for the preparation and delivery of the Notice and Form of Proxy to all Shareholders.

Appointment of Proxies

The persons named in the enclosed Form of Proxy are the designated proxyholders and are directors of the Company. **A Shareholder has the right to appoint another person (who need not be a Shareholder) to vote on his, her or its behalf. Such person must be present at the Meeting or any adjournment or postponement thereof to represent the Shareholder. A Shareholder who wishes to appoint some other person to represent him, her or it at the Meeting may do so by inserting such person’s name in the blank space provided in the Form of Proxy and striking out the names of the designated proxyholders, or by completing another proper form of proxy.** Any form of proxy appointing a proxy must be in writing, completed, and signed by a Shareholder or his or her agent duly authorized in writing or, if the Shareholder is a corporation, by an officer or other person duly authorized in writing. Persons signing as officers, directors, executors, administrators, trustees or similarly otherwise should so indicate and provide satisfactory evidence of such authority. A form of proxy given by joint Shareholders must be executed by all of them.

To be valid, proxies or voting instructions must be received by the Company’s transfer agent, Computershare Trust Company of Canada, Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, no later than 10:30 a.m. (Toronto time) on Friday, May 17, 2019 and, if the Meeting is postponed or adjourned, no less than 48 hours (excluding Saturdays, Sundays and holidays) prior to the commencement of any such postponement or adjournment.

Registered Shareholders may otherwise exercise their voting rights by attending and voting their Common Shares in person or by proxy at the Meeting. Registered Shareholders who plan to attend and vote in person at the Meeting need not complete or return the accompanying Form of Proxy as aforementioned, but may still choose to do so. Registered Shareholders (or their authorized proxyholder) attending the Meeting in person will be asked to register their attendance upon arrival at the Meeting.

Advice to Beneficial Shareholders

Information set forth in this section is important to Shareholders who do not hold Common Shares registered in their own name (each, a “Beneficial Shareholder”), but in the name of an intermediary (such as a broker, financial institution, custodian, trustee or other intermediary who holds securities on behalf of the Beneficial Shareholder) or in the name of a nominee in which the intermediary is a participant (such as CDS Clearing and Depository Services Inc.).

Beneficial Shareholders should note that only proxies deposited by Shareholders whose names are on the record of the Company as the registered holders of the Common Shares can be recognized and acted upon at the Meeting. Common Shares in the name of an intermediary or nominee in which the intermediary is a participant can only be voted at the Meeting upon the instructions of the Beneficial Shareholder. Without specific instructions, intermediaries or their nominees are prohibited from voting Common Shares on behalf of their clients; therefore, unless the voting instructions of the intermediary or its nominee are followed (as described below), Beneficial Shareholders cannot be recognized at the Meeting for purposes of voting their Common Shares in person or by way of proxy.

Applicable regulatory policy in Canada requires intermediaries and their nominees to seek voting instructions from Beneficial Shareholders in advance of the Meeting. Every intermediary and nominee has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares can be voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by his, her or its intermediary is identical to that provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder how to vote on

behalf of the Beneficial Shareholder. Most intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically prepares and mails a machine-readable voting instruction form in lieu of the Form of Proxy, and asks Beneficial Shareholders to complete and return the voting instruction forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the Common Shares to be represented at the Meeting or any adjournment or postponement thereof. A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting or any adjournment or postponement thereof. The voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an intermediary or its nominee, a Beneficial Shareholder may attend at the Meeting as a proxyholder for the registered Shareholder and vote the Common Shares in that capacity. To do this, a Beneficial Shareholder must enter their own name in the blank space on the form of proxy provided to them and return the form of proxy to their intermediary in accordance with the instructions provided by such intermediary well in advance of the Meeting. In other words, a Beneficial Shareholder who wishes to appear in person and vote at the Meeting should be appointed as his, her or its own representative at the Meeting in accordance with the directions of the intermediary.

IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO APPEAR AND VOTE IN PERSON AT THE MEETING, PLEASE CONTACT YOUR BROKER OR OTHER INTERMEDIARY WELL IN ADVANCE OF THE MEETING TO DETERMINE HOW YOU CAN DO SO.

Revocation of Proxy

A registered Shareholder who has submitted a proxy may revoke it at any time prior to the exercise thereof. **If you are a Beneficial Shareholder and wish to revoke your proxy or change your voting instruction, please contact your intermediary well in advance of the Meeting to determine how you can do so.** A registered Shareholder who has submitted a proxy may revoke the proxy: (a) by completing and signing a proxy bearing a later date and depositing it with Computershare Trust Company of Canada as set out above under the heading “Proxy Solicitation and Voting — Appointment of Proxies”, (b) by delivering an instrument in writing executed by the Shareholder or by his, her or its attorney authorized in writing: (i) at the registered office of the Company at any time up to and including the last business day before the day set for the holding of the Meeting, or any postponement or adjournment thereof, at which the proxy is to be used, or (ii) with the chair of the Meeting prior to the commencement of such Meeting on the day of such Meeting or any adjournment thereof, or (c) in any other method permitted by applicable law.

Exercise of Discretion by Proxyholders

Where a Shareholder specifies a choice in a form of proxy with respect to any matter to be acted upon at the Meeting, the Common Shares represented by such proxy will be voted in accordance with the specifications so made. **In the absence of such specification, or if the specification is not certain, it is intended that such Common Shares will be voted FOR the matters to be acted upon at the Meeting as specified in the Notice of Meeting. The designated proxyholders named in the enclosed Form of Proxy accompanying this Information Circular are conferred with discretionary authority with respect to amendments to or variations of matters identified in the Form of Proxy and the Notice of Meeting, and with respect to other matters which may properly come before the Meeting.** In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting, it is the intention of the designated proxyholders named in the enclosed Form of Proxy to vote in accordance with their best judgment on such matter or business. At the time of printing of the Information Circular, management of the Company and the Directors of the Company know of no such amendments, variations or other matters.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

To the knowledge of the Directors and management of the Company, other than as described in this Information Circular, no Director or executive officer of the Company, no proposed nominee for election as a Director of the Company, and no associate or affiliate of any such person, and no other insider of the Company has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common Shares. As of the close of business on the last business day preceding the date of this Information Circular, 66,290,580 Common Shares were issued and outstanding. At the Meeting, each Shareholder of record at the close of business on the Record Date will be entitled to one (1) vote for each Common Share held on all matters to be acted upon at the Meeting.

To the knowledge of management of the Company and the Directors, as of the close of business on the last business day preceding the date of this Information Circular, no person or company beneficially owns, or exercises control or direction, directly or indirectly, over Common Shares carrying 10% or more of the votes attached to the issued and outstanding Common Shares.

MATTERS TO BE ACTED UPON AT THE MEETING

1. Financial Statements

The audited consolidated financial statements of the Company for the fiscal year ended December 31, 2018 (“**Fiscal 2018**”), management’s discussion and analysis (“**MD&A**”) thereon and the accompanying auditors’ report will be placed before the Shareholders at the Meeting. Shareholders may find a copy of these documents on the Company’s website at www.siennaliving.ca and on SEDAR at www.sedar.com under Sienna’s issuer profile.

No formal action will be taken at the Meeting to approve the financial statements. If any Shareholder has questions regarding such financial statements, such questions may be brought forward at the Meeting.

2. Number of Directors

It is proposed that the number of directors to be elected at the Meeting be fixed at seven (7). To be effective, the fixing of the number of directors must be approved by a simple majority of the votes cast by Shareholders, present in person or represented by proxy, at the Meeting. The Board of Directors unanimously recommends that the Shareholders vote in favour of the resolution fixing the number of directors to be elected at the Meeting at seven (7). **The persons named in the enclosed Form of Proxy as the designated proxyholders of the Company, if not expressly directed to the contrary in the Form of Proxy, intend to vote FOR the resolution fixing of the number of directors of the Company at seven (7).**

3. Election of Directors

Proposed Nominees

Set forth below are the individuals proposed to be nominated for election as directors of the Company. To be effective, the election of each of the nominees listed below must be approved by a simple majority of the votes cast by Shareholders, present in person or represented by proxy, at the Meeting. Each of the nominees will be voted on individually (see “Matters to be Acted Upon at the Meeting — Majority Voting”). **The persons named in the enclosed Form of Proxy as the designated proxyholders of the Company, if not expressly directed to the contrary in the Form of Proxy, intend to vote FOR the election of the proposed nominees whose names are set out below to the Board of Directors of the Company.**

All of the proposed nominees make up the current Board of Directors of the Company, with the exception of Mr. Johnston who is standing for election at the Meeting for the first time. Each nominee proposed for election at the Meeting has confirmed his or her willingness to serve on the Board. It is not contemplated that any of the proposed nominees will be unable to stand for election or serve as a Director of the Company but, if that should occur for any reason prior to the Meeting, the persons named in the enclosed Form of Proxy as the designated proxyholders of the Company reserve the right to vote for another nominee at their discretion. Each nominee will be voted on individually.

Each elected nominee will hold office until the close of the next annual meeting of the Shareholders or until his or her successor is elected or appointed, unless his or her office is vacated earlier due to death, removal, resignation or ceasing to be duly qualified.

Board Skills Matrix

The Company's Compensation, Governance and Nominating Committee (the "CGNC") has developed a Board Skills Matrix (see "Corporate Governance Disclosure") which identifies the professional skills, expertise and qualifications that the Board would ideally possess. The table attached as Appendix D to this Information Circular shows the mix of skills, expertise and qualifications held by the Company's nominees to the Board.

Majority Voting

The Board has a majority voting policy that entitles each Shareholder to vote for each director nominee on an individual basis. This includes ensuring that the proxy forms used for the election of Directors by Shareholders

enable Shareholders to vote in favour of, or withhold their vote for, each director nominee separately. In an uncontested election, any director nominee who receives a greater number of votes “withheld” than votes “for” shall promptly submit to the CGNC his or her resignation offer for consideration (which resignation shall take effect only upon the acceptance by the Board). The CGNC will make a recommendation to the Board after reviewing the matter, and the Board’s decision to accept or reject the resignation offer will be disclosed to the public within ninety (90) days of the Shareholder meeting, including, in cases where the Board has determined not to accept a resignation, the reasons therefor. It is generally expected that the CGNC will recommend that the Board accept such resignation, except in extraordinary circumstances. If a resignation is accepted, the Board may appoint a new Director to fill any vacancy, or may reduce the size of the Board. The nominee will not participate in any CGNC or Board deliberations on the resignation offer.

4. Appointment of Auditors

PricewaterhouseCoopers LLP, Chartered Professional Accountants (“**PwC**”) has been the auditor of the Company since its inception. Specifically, PwC was first appointed on October 18, 2005 and has continued to be the auditor of the Company following its initial public offering in March 2010.

The audit committee of the Board of Directors (the “**Audit Committee**”) recommends to Shareholders that PwC be appointed as the independent auditor of the Company, to hold office until the next annual meeting of the Shareholders or until their successor is appointed, and that the Board of Directors be authorized to fix the remuneration of the auditors.

To be effective, the resolution to appoint PwC as auditors of the Company and to authorize the Directors to fix their remuneration must be approved by a simple majority of the votes cast by Shareholders, present in person or represented by proxy, at the Meeting. **The persons named in the enclosed Form of Proxy as the designated proxyholders of the Company, if not expressly directed to the contrary in the Form of Proxy, intend to vote FOR the appointment of PwC as auditors of the Company and to authorize the Directors to fix their remuneration.**

Audit Committee Information

Reference is made to the Annual Information Form of the Company dated March 15, 2019 (the “**AIF**”), which is incorporated by reference in this Information Circular, for information relating to the Audit Committee as required under Form 52-110F1. The AIF can be accessed under the Company’s profile on SEDAR at www.sedar.com.

5. Rights Plan Resolution

General

On April 19, 2016, the shareholders of the Company reconfirmed the Second Amended and Restated Shareholder Rights Plan Agreement of the Company, as amended and restated to reflect current Canadian best corporate practices, institutional investor guidelines and amendments proposed by the Canadian securities administrators with respect to take-over bids (the “**Existing Rights Plan**”). In order to remain effective, the TSX and the terms of the Existing Rights Plan require that it be reconfirmed by shareholders at every third annual meeting of the Company. Accordingly, if the Existing Rights Plan is not reconfirmed at the Meeting, it will expire. The Board of Directors has determined that it is in the best interests of the Company that the Existing Rights Plan be reconfirmed and further amended and restated to reflect the proposed amendments discussed below, and has approved the adoption of a third amended and restated shareholder rights plan (the “**Rights Plan**”) to replace the Existing Rights Plan. The Rights Plan will become effective upon approval by Shareholders at the Meeting.

A summary of the Rights Plan (after reflecting the proposed amendment and restatement referred to above) is set out below. The complete text of the Existing Rights Plan is available on SEDAR at www.sedar.com. Copies of the Existing Rights Plan and the Rights Plan are available from the Vice-President, General Counsel and Corporate Secretary of the Company upon written request to 302 Town Centre Blvd., Suite 300, Markham, Ontario, L3R 0E8 or by calling 905-477-4006 ext. 3060.

Rights Plan Resolution

At the Meeting, Shareholders will be asked to consider and, if deemed advisable, to pass, with or without alteration or modification, an ordinary resolution (the “**Rights Plan Resolution**”), the full text of which is attached as Appendix B to this Information Circular, to reconfirm and further amend and restate the Existing Rights Plan. The Rights Plan has been conditionally approved by the TSX, subject to the approval of Shareholders at the Meeting. The Rights Plan Resolution must be approved by a simple majority (50% plus one vote) of the votes cast in favour of the Rights Plan, whether in person or by proxy at the Meeting. If the Rights Plan Resolution is passed at the Meeting, the Rights Plan will be effective as of the date the resolution is passed. If the Rights Plan Resolution is not passed, the Rights Plan will become void and of no further force and effect and the Company will no longer have any form of shareholder rights plan. If approved, the Rights Plan is required to be reconfirmed by Shareholders at the 2022 annual meeting of Shareholders.

The Board of Directors believes that the Rights Plan is consistent with current Canadian corporate best practices and addresses institutional investor guidelines. Neither the Existing Rights Plan or the Rights Plan is intended to prevent a take-over of the Company. Reconfirmation of the Existing Rights Plan is not being sought in response to, or in anticipation of, any pending or threatened take-over bid and the Board is not aware of any third party considering or preparing any proposal to acquire control of the Company.

The Board of Directors unanimously recommends that the Shareholders vote in favour of the Rights Plan Resolution. **The persons named in the enclosed Form of Proxy as the designated proxyholders of the Company, if not expressly directed to the contrary in the Form of Proxy, intend to vote FOR the Rights Plan Resolution.**

Amendment and Restatement of Rights Plan

In addition to certain housekeeping amendments, the amendments incorporated into the Rights Plan include a revision to the definition of a “Permitted Bid” to provide that the period of time that a bid must remain open to qualify as a “permitted bid” is 105 days or such shorter period of time permitted under National Instrument 62-104 — Take-Over Bids and Issuer Bids (“**NI 62-104**”).

Summary of Rights Plan Terms

This summary of certain material provisions of the Rights Plan is qualified entirely by reference to the text of the Rights Plan, the full text of which is attached as Appendix C to this Information Circular. Capitalized terms used in this summary and not otherwise defined have the meaning given to them in the text of the Rights Plan in Appendix C.

Pursuant to the Rights Plan, the Company has issued one right (a “**Right**”) for each Common Share that is currently outstanding and will issue one Right for each Common Share issued during the currency of the Rights Plan.

The Rights Plan utilizes the mechanism of the “**Permitted Bid**” (as described below) to require all potential bidders for the Company to comply with the conditions specified in the Permitted Bid provisions or else be subject to the dilutive features of the Rights Plan. The Rights Plan is designed to make it impractical for any person to acquire more than 20% of the outstanding Common Shares without the approval of the Directors except pursuant to the Permitted Bid procedures or pursuant to certain other exempt transactions outlined below.

Separation Time

The Rights will separate and trade separately from the Common Shares after the Separation Time (as defined below). Following the Separation Time, separate certificates evidencing the Rights (“**Rights Certificates**”) will be provided to shareholders as of the Separation Time and each separate Rights Certificate alone will evidence the Rights. Registration of interests in and transfer of the Rights will be made only through a book entry system administered by CDS Clearing and Depository Services Inc.

The “**Separation Time**” is the close of business on the 10th Business Day following the earliest of:

- (a) the date (the “**Common Share Acquisition Date**”) of the first public announcement made by the Company or an Acquiring Person (as defined below) that a person has become an Acquiring Person;

- (b) the date of the commencement of a take-over bid by any person (an “**Offeror**”) for the Common Shares;
- (c) the date upon which a Permitted Bid ceased to be a Permitted Bid; or
- (d) such later date as may be determined by the Board.

If any take-over bid triggering the Separation Time expires or is cancelled, terminated or otherwise withdrawn prior to the Separation Time, the bid is deemed, for the purposes of determining the Separation Time, never to have been made.

Exercise Price of Rights

The initial exercise price established under the Rights Plan is \$100 per Common Share. After the Separation Time and prior to the occurrence of a “**Flip-In Event**” (as defined below), each Right entitles the registered holder to purchase one Common Share at the exercise price of \$100 per Common Share, subject to certain anti-dilution adjustments and other rights as will be set out in the Rights Plan. The terms of the Rights adjust significantly upon the occurrence of a Flip-In Event, as described below.

Flip-In Event

A Flip-In Event is triggered when a person becomes an Acquiring Person. Upon the occurrence of a Flip-in Event, the Company must take such action as is necessary to ensure that each Right (except for Rights beneficially owned by the persons specified below) shall thereafter constitute the right to purchase from the Company upon exercise thereof in accordance with the terms of the Rights Plan that number of Common Shares having an aggregate market price on the date of the consummation or occurrence of such Flip-In Event equal to twice the exercise price, for an amount in cash equal to the exercise price. By way of example, if at the time of such announcement the exercise price of the Rights is \$100 and the Common Shares have a market price of \$10 per Common Share, the holder of each Right would be entitled to purchase the number of Common Shares that has in the aggregate a market price of \$200 (i.e. 20 Common Shares in this example) for a price of \$100, that is, at a 50% discount.

The Rights Plan provides that Rights that are beneficially owned by:

- (a) an Acquiring Person, any affiliate or associate of an Acquiring Person, any person acting jointly or in concert with an Acquiring Person, or any affiliate or associate of such Acquiring Person; or
- (b) a transferee, direct or indirect, of Rights from any of the foregoing,

shall in certain circumstances become null and void without any further action and any holder of such Rights (including transferees) shall not have any rights whatsoever to exercise such Rights under any provision of the Rights Plan.

Acquiring Person

An “**Acquiring Person**” is a person who beneficially owns 20% or more of the outstanding Common Shares. An Acquiring Person does not, however, include:

- (a) the Company or any other affiliate controlled by the Company;
- (b) any person who owns, directly or indirectly, 20% or more of the securities of the Company on closing of the Company’s initial public offering (a “**Grandfathered Person**”), provided, however, that this exemption shall not be, and shall cease to be, applicable to a Grandfathered Person in the event that such Grandfathered Person shall, after closing of the initial public offering, become the owner, directly or indirectly, of an additional 1% of the outstanding Common Shares, other than pursuant to certain exempt transactions described below; or
- (c) any person who becomes the beneficial owner of 20% or more of the Common Shares as a result of certain exempt transactions.

Where a Person is deemed to beneficially own the Common Shares issuable under that Person’s Convertible Securities, those Common Shares will be considered to be outstanding for purposes of calculating the number and percentage of Common Shares beneficially owned by that Person.

Exempt transactions include:

- (a) specified acquisitions or redemptions of Common Shares;
- (b) acquisitions pursuant to a Permitted Bid (which may include a Competing Permitted Bid), as described below; or
- (c) acquisitions where the acquiror maintains their pro rata ownership interest in the Company.

Permitted Bids and Competing Permitted Bids

A “**Permitted Bid**” means a bid which is made by an Offeror by means of a take-over bid circular and which also complies with the following additional provisions:

- (a) the bid is made to all holders of Common Shares, other than the Offeror, as registered on the books of the Company;
- (b) the bid contains, and the take-up and payment for securities tendered or deposited thereunder is subject to, irrevocable and unqualified conditions that (A) no Common Shares shall be taken up or paid for pursuant to the bid (x) prior to the close of business on the date which is not earlier than 105 days following the date the take-over bid circular is sent to shareholders of the Company or such shorter minimum period as determined under NI 62-104 for which a take-over bid (that is not exempt from any of the requirements of Division 5 (Bid Mechanics) of NI 62-104) must remain open for deposit of securities thereunder and (y) then only if, at the close of business on the date securities are first taken up or paid for under the take-over bid, more than 50% of the Common Shares held by independent shareholders shall have been deposited or tendered pursuant to the bid and not withdrawn;
- (c) the bid contains an irrevocable and unqualified provision that, unless the bid is withdrawn, Common Shares may be deposited pursuant to such bid at any time prior to the close of business on the date of first take-up or payment for Common Shares and that any Common Shares deposited pursuant to the bid may be withdrawn until taken up and paid for; and
- (d) the bid contains an irrevocable and unqualified provision that if, on the date on which Common Shares may be taken up or paid for, more than 50% of the Common Shares held by independent shareholders shall have been deposited or tendered pursuant to the bid and not withdrawn, the Offeror will make a public announcement of that fact and the bid will remain open for deposits and tenders of Common Shares for not less than 10 days from the date of such public announcement;

provided that if a bid constitutes a Competing Permitted Bid, the term “Permitted Bid” shall also mean the Competing Permitted Bid.

A “**Competing Permitted Bid**” means a bid that:

- (a) is made after a Permitted Bid or another Competing Permitted Bid has been made and prior to the expiry of the Permitted Bid or other Competing Permitted Bid;
- (b) satisfies all components of the definition of a Permitted Bid other than the requirements set out in paragraph (b)(A) of such description above; and
- (c) contains, and the take-up and payment for securities tendered or deposited is subject to, an irrevocable and unqualified condition that no Common Shares will be taken up or paid for pursuant to the bid (x) prior to the close of business on a date that is no earlier than the later of (A) the last day on which the bid must be open for acceptance after the date of such bid under applicable Canadian securities legislation and (B) the earliest date on which securities may be taken up or paid for under any prior bid and (y) then only if, at the time that such securities are first taken up or paid for, more than 50% of the then outstanding securities held by independent shareholders have been deposited or tendered pursuant to such take-over bid and not withdrawn.

Neither a Permitted Bid nor a Competing Permitted Bid is required to be approved by the Board and such bids may be made directly to shareholders. Acquisitions of Common Shares made pursuant to a Permitted Bid or a Competing Permitted Bid do not give rise to a Flip-In Event.

Redemption and Waiver

The Board, with the consent of the holders of voting securities of the Company, may, at any time prior to the occurrence of a Flip-In Event, elect to redeem all but not less than all of the Rights at a redemption price of \$0.0001 per Right (the “**Redemption Price**”). Rights will be deemed to immediately be redeemed at the Redemption Price where a person acquires Common Shares pursuant to a Permitted Bid or Competing Permitted Bid. If the Board elects or is deemed to have elected to redeem the Rights, the right to exercise the Rights will terminate and each Right will after redemption be null and void and the only right thereafter of the holders of Rights shall be to receive the Redemption Price.

The Board, with the consent of the holders of voting securities of the Company, may waive application of the Rights Plan to a take-over bid prior to the occurrence of a Flip-In Event that would occur as a result of an acquisition of Common Shares otherwise than pursuant to a take-over bid made by way of take-over bid circular sent to all holders of voting securities of the Company. In such event, the Board shall extend the Separation Time to a date at least 10 business days subsequent to the meeting of shareholders called to approve such waiver.

The Board, in its discretion, may waive application of the Rights Plan to a take-over bid prior to the occurrence of a Flip-In Event that would occur as a result of a take-over bid made by way of take-over bid circular sent to all holders of voting securities of the Company. Once the Board has exercised its discretion to waive application of the Rights Plan in respect of any particular take-over bid and another take-over bid is made, the Board shall be deemed to have waived the application of the Rights Plan to such other take-over bid provided that such other take-over bid is made by way of a formal take-over bid circular to all holders of Common Shares prior to the expiry of the take-over bid in respect of which the waiver has been granted. In such event, the Board shall extend the Separation Time to a date at least 10 days following the meeting of shareholders called to approve such waiver.

6. Advisory Vote on Approach to Executive Compensation

The Company’s executive compensation program has the objectives of attracting highly qualified individuals with a history of proven success, and aligning their interests with the successful execution of the Company’s business strategies. The program includes short- and long-term performance measures with the objective of optimizing the Company’s operating performance and achieving competitive risk-adjusted returns for Shareholders. Through both short-term and long-term incentives, the focus on long-term performance is maintained while motivating improvement in financial and operating performance and quality outcomes on an annual basis. The Company believes that its compensation program is consistent with its objectives, and is in the best interests of Shareholders. Detailed disclosure of the Company’s executive compensation program is provided in the “Compensation Discussion and Analysis” section of this Information Circular.

Starting with the 2019 proxy season, the Board resolved to hold a non-binding advisory vote on the approach to executive compensation. This Shareholder vote forms an important part of the process of engagement between stakeholders of the Company and the Board on executive compensation. At the Meeting, Shareholders will have the opportunity to vote on the Company’s approach to executive compensation through consideration of the following advisory resolution:

“**RESOLVED**, on an advisory basis and not to diminish the role and responsibilities of the Board, that the Shareholders accept the approach to executive compensation disclosed in the management information circular of the Company in respect of the 2019 annual and special meeting of Shareholders of Sienna Senior Living Inc.”

The advisory resolution must be approved by a simple majority (50% plus one vote) of the votes cast in favour of the resolution, whether in person or by proxy at the Meeting. Since the vote is advisory, it will not be binding upon the Board. However, the CGNC will take into account the results of the vote when considering future executive compensation arrangements.

The Board of Directors has concluded that the Company’s approach to executive compensation disclosed in this Information Circular is in the best interests of the Company and Shareholders and unanimously recommends that Shareholders vote in favour of the above advisory resolution. **The persons named in the enclosed Form of Proxy as the designated proxyholders of the Company, if not expressly directed to the contrary in the Form of Proxy, intend to vote FOR the advisory resolution.**

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Decision-Making Process

This Compensation Discussion and Analysis provides information regarding all significant elements of compensation paid, payable, awarded, granted, given or otherwise provided by the Company to the Company’s Chief Executive Officer, Chief Financial Officer, and the three next most highly compensated executive officers who were serving in the capacity of an executive officer of the Company on December 31, 2018 (collectively, the “**Named Executive Officers**” or “**NEOs**”).

For Fiscal 2018, the Named Executive Officers are:

- Lois Cormack, President and Chief Executive Officer (the “**CEO**”)
- Nitin Jain, Chief Financial Officer and Chief Investment Officer (the “**CFO**”)
- Michael Annable, Executive Vice-President, People, and Chief Administrative Officer (the “**CAO**”)
- Joanne Dykeman, Executive Vice-President, Operations
- Lisa Kachur, Executive Vice-President, Operations

A part of the CGNC’s mandate is to evaluate annually the performance of, and recommend compensation for, the Chief Executive Officer and other executive officers of the Company. The CGNC is assisted in its determinations by the CEO, who analyzes and makes recommendations annually to the CGNC regarding the compensation of all other executive officers. Each executive officer, in turn, is provided the opportunity to participate in an annual performance review with the CEO to provide input regarding his or her contributions in the fiscal year. The CGNC reviews the design and competitiveness of the executive compensation packages with a view to ensuring that the Company’s compensation packages are aligned with the Company’s compensation objectives and strategies and remain market competitive. (See “Statement of Executive Compensation — Role of Compensation, Governance and Nominating Committee”).

Compensation Objectives and Strategy

Compensation plays an important role in recognizing the achievement of the Company’s short-term and long-term business objectives. The objectives of the Company’s executive compensation program are to:

- attract, engage, retain and motivate highly qualified individuals with a history of proven success;
- align the interests of the senior executives with the successful execution of the Company’s business strategies and Shareholders’ interests;
- establish performance goals that are expected to improve quality of care and service outcomes and long-term Shareholder value; and

- tie compensation to those performance goals and provide meaningful rewards for achieving them, with an emphasis on longer-term compensation.

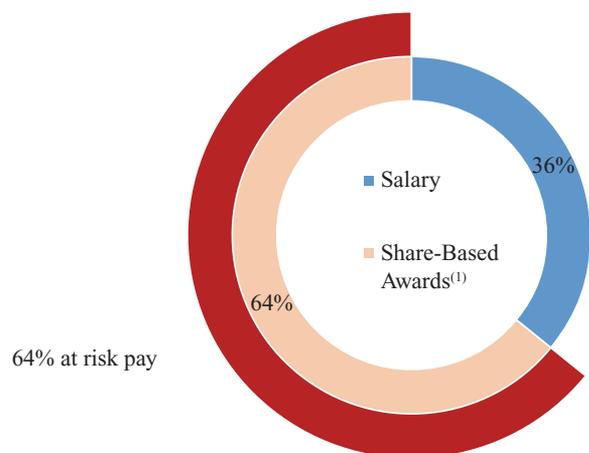

The key elements in determining the total compensation of NEOs and other executive officers during 2018 continued to be annual salary, short-term and long-term incentive programs focused on both individual and collective contributions to the Company’s financial and operational results. (See “Statement of Executive Compensation — Elements of NEO Compensation”). This compensation ‘mix’, comprised of both short-term and long-term incentives, is intended to achieve a focus on long-term performance while motivating improvement in financial and operating performance and “quality of care and service” outcomes on an annual basis. Quality of care and service contribute to resident satisfaction, safety and health outcomes and considers how well health care services are provided to residents. In addition to an executive share ownership policy, in order to align further the interests of executives with the interests of Shareholders, the Company has policies that encourage the creation of long-term shareholder value by:

- discouraging the taking of inappropriate or excessive risks;
- prohibiting trading and/or hedging against the Company’s securities; and
- imposing a claw-back in respect of NEO incentive compensation in the event of fraud or intentional misconduct resulting in a restatement of the financial statements of the Company.

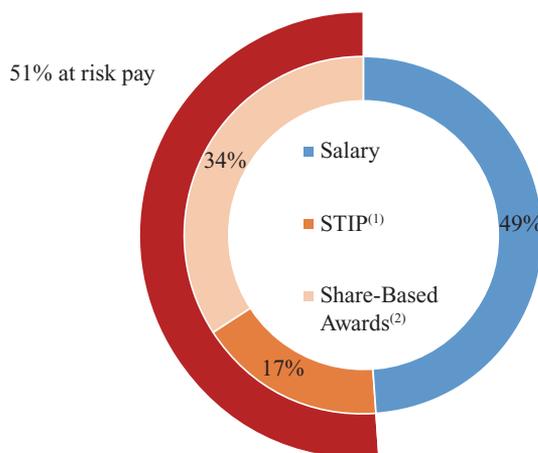

(See “Statement of Executive Compensation — Compensation Risk Management”, “Statement of Executive Compensation — Restrictions on Trading and Hedging” and Statement of Executive Compensation — Claw-Back of Incentive Compensation”). The CGNC believes the total compensation package of the President and Chief Executive Officer and other senior management of the Company are competitive in the Canadian markets in which the Company operates and reviews these annually, including with the support of independent consultants, as needed.

The charts below show the percentage weighting of each component of the total compensation for the CEO and of the average total compensation for the rest of the NEOs (i.e. excluding the CEO) in Fiscal 2018.

Total 2018 CEO Compensation

Average 2018 NEO Compensation

(1) Pursuant to the EDSU Plan, Ms. Cormack elected to receive all of her \$552,043 annual short-term incentive plan (STIP) cash award in the form of EDSUs.

(1) Represents the value of the annual short-term incentive plan (STIP) cash awards granted in satisfaction of performance bonuses that were actually received in cash, with the balance, if any, elected to be taken in EDSUs.

(2) Excludes Mr. Annable from the calculation of share-based awards. Effective February 1, 2019, Mr. Annable ceased employment in his capacity as an officer of the Company. See “Statement of Executive Compensation” for a discussion of compensation payments.

Role of Compensation, Governance and Nominating Committee

The Company's CGNC consists of five Directors, being Mr. Stephen Sender (Chairman), Ms. Janet Graham, Ms. Paula Jourdain Coleman, Mr. Dino Chiesa and Mr. Jack MacDonald. All members of the CGNC are independent Directors of the Company. In accordance with the Committee's charter approved by the Board and adopted on November 12, 2014, the CGNC, among other things, assists the Board in fulfilling its oversight responsibilities by carrying out the following duties:

- keeps itself apprised of matters relating to the selection and retention of executive officers, and ensures that a succession plan for such officers is in place; and further reviews the CEO's recommendations and/or decisions with respect to the recruitment, promotion, transfer and termination of other executive officers;
- annually reviews the CEO's goals and objectives for the upcoming year that are relevant to his or her compensation, evaluates the CEO's performance in meeting those goals and objectives, and reviews and makes recommendations to the Board regarding his or her compensation, as well as minimum equity ownership position and compliance with such requirement;
- administers and makes recommendations regarding the adoption and operation of incentive compensation plans, and approves the annual incentive awards for executive officers under such plans;
- reviews and makes recommendations to the Board concerning matters relating to the Directors, including with respect to Board size and composition, qualifications, remuneration, appointments and succession planning, as well as ensuring that new Directors receive the necessary orientation and resources and all Directors are provided with appropriate continuing education opportunities;
- annually reviews the effectiveness of the Board and each committee in fulfilling their mandated responsibilities and duties, as well as reviews the performance of each Director; and
- reviews and makes recommendations regarding the Company's overall approach to governance.

The collective experience of the members of the CGNC in top leadership roles during their careers and extensive knowledge of the real estate industry and seniors' living space, as well as their mix of experience in business and regulated environments and as executives, directors and/or members of committees of various public and private companies provides the collective experience, skills and insight to effectively support the CGNC in carrying out its mandate.

Engagement of Compensation Consultant

In Fiscal 2018, the CGNC, on behalf of the Company, directly retained the services of Willis Towers Watson (WTW) to provide independent advice with respect to compensation design for its executive officers, including advice on the following:

- compensation philosophy and peer group;
- executive compensation market assessment, including compensation levels and design;
- design of a performance share unit plan;
- change of control severance provisions in senior executive employment agreements; and
- claw-back policy applicable to NEO incentive compensation awards.

WTW does not provide any other services to the Company and has protocols in place to ensure its independence. The information and advice provided by WTW was considered by the CGNC in making executive compensation decisions; however, the CGNC did not rely exclusively on this information and the compensation decisions made reflect a number of factors and considerations. In particular, the CGNC took into account the advice provided by WTW when making its recommendations to the Board regarding the performance based vesting criteria for a portion of the RSUs granted pursuant to the RSU Plan in respect of Fiscal 2018, but also considered the effectiveness of its existing long-term incentive framework and prevailing market practice and

considerations (see “Statement of Executive Compensation — Elements of NEO Compensation — Long-Term Incentive Program”).

Executive Compensation-Related Fees

An amount of approximately \$128,300 was paid to WTW during Fiscal 2018 for the services described. No other fees were paid by the Company to any consultants or advisors or any of their affiliates for services related to determining compensation for any of the Company’s Directors and executive officers.

Role of Executive Officers in Executive Compensation Decisions

The President and Chief Executive Officer assists the CGNC by providing information and analysis for review and by making recommendations regarding the compensation of other executive officers. Any proposed change to the compensation of the President and Chief Executive Officer is reviewed by the CGNC and approved by the Board without the participation of the President and Chief Executive Officer.

Recent Changes to the Company’s Executive Compensation Program

In Fiscal 2018, the Board approved changes to the Company’s executive compensation program, which were previously reported in the Company’s 2018 management information circular dated April 10, 2018. Among other things, effective as of the end of Fiscal 2017, the Company’s Long-Term Incentive Plan effective January 1, 2011, as amended (the “LTIP”), was terminated and the matching component of the Company’s amended and restated executive deferred share unit plan (“EDSU Plan”) was eliminated. Further, the Company introduced performance share units with performance based vesting criteria for a portion of the restricted share units (“RSUs”) granted pursuant to the Company’s restricted share unit plan effective January 1, 2011, as amended (the “RSU Plan”), in respect of Fiscal 2018 (see “Statement of Executive Compensation — Elements of NEO Compensation — Long-Term Incentive Program”).

Compensation Risk Management

The Company has designed its executive compensation program in a standardized and balanced manner to appropriately align management with Shareholders’ interests by providing incentives to achieve both short-term and long-term performance objectives, while ensuring such executives are not encouraged to take inappropriate or excessive risks. The Company’s executive compensation program continues to have, among other things, the following characteristics which mitigate the risks typically associated with compensation programs:

- Total compensation is benchmarked against the Company’s peer group by the CGNC. Total compensation is benchmarked and balanced between base salary, short-term and long-term incentives. The compensation plans are relatively consistent between executives, with increasing emphasis on long-term incentives for executives with higher levels of responsibility.
- The Board evaluates and approves the compensation structure for the Named Executive Officers of the Company, taking into account the recommendations of the CGNC, and is responsible for the selection, performance management, compensation and succession planning of the CEO.
- Financial objectives support the Company’s approved annual budget, and individual objectives support approved business strategies and priorities.
- The CGNC can use its discretion to ensure payouts are not overly influenced by an unusual result in a particular performance objective.
- Short-term performance is measured using several financial, business and individual performance objectives to determine incentive payouts. This balances the risks associated with relying on any one performance objective. The incentive opportunity is capped for non-financial performance metrics and a sliding scale applies to financial performance metrics, and payouts are generally determined based on audited financial statements.
- RSUs issuable pursuant to the RSU Plan are designed to encourage a longer-term focus on Shareholder value and, subject to the discretion of the CGNC to accelerate vesting, do not vest until

the third anniversary of the date upon which the RSUs are granted. Further, as of Fiscal 2018, 60% of the RSUs are granted as performance share units with three-year performance vesting conditions (see “Statement of Executive Compensation — Elements of NEO Compensation — Long-Term Incentive Program”).

- Executive deferred share units (“**EDSUs**”) are designed to encourage a long-term focus on Shareholder value and, subject to the discretion of the CGNC to accelerate vesting, a participant’s EDSUs vest on the third anniversary of the date upon which the EDSUs are granted in accordance with the terms and limits set out in the EDSU Plan. However, notwithstanding that vesting has occurred, EDSUs may only be redeemed when a participant no longer serves as an executive officer (or officer or employee, as applicable) of the Company for any reason. In addition, incentive plan awards granted to executive officers pursuant to the Company’s Short-term Incentive Program (“**STIP**”) are eligible for contribution to the EDSU Plan, in whole or in part, further encouraging a longer-term focus on Shareholder value. EDSUs credited to a participant’s account in connection with an STIP award contribution vest immediately (see “Statement of Executive Compensation — Elements of NEO Compensation — Long-Term Incentive Program”).
- The Company’s STIP and Long-Term Incentive Program (described below under the heading “Elements of NEO Compensation”) support executives’ personal long-term Common Share ownership, directly aligning their interests with those of Shareholders. In particular, the Company’s Executive Share Ownership Policy (defined below) requires certain executive officers to hold, by the earlier of December 31, 2019 or five (5) years from the date of hire, a combination of securities of the Company equal to: three times the annual base salary for the CEO, and one time the annual base salary for all other identified executive officers, directly aligning their interests with those of Shareholders. The Employee Purchase Plan (defined below) further facilitates support for the achievement of ownership thresholds required by the Executive Share Ownership Policy, and encourages a longer-term focus on Shareholder value.
- The Company has a formal claw-back policy in respect of incentive compensation in the event of fraud or intentional misconduct resulting in a restatement of the financial statements of the Company.
- Mitigation of risk is further accomplished by incorporating, where appropriate, resident satisfaction and employee engagement, as well as quality of care and services, in the executive’s corporate goals and objectives.

Restrictions on Trading and Hedging

Pursuant to Sienna procedures governing trading and reporting, Sienna employees and Directors are prohibited from acquiring financial instruments that are designed to hedge or offset a decrease in the market value of equity securities of the Company granted as compensation or held, directly or indirectly, by them.

Claw-Back of Incentive Compensation

The Company’s Incentive Compensation Claw-Back Policy applies to all current and former NEOs and provides that, if the Company’s financial results are materially restated (other than a restatement resulting from a change in applicable accounting rules or interpretations or relating to an acquisition or disposition of assets by the Company) the CGNC may seek reimbursement of any performance-based incentive compensation actually paid or awarded to an NEO in respect of the 36 month period preceding the date of the restatement if (i) the amount of the incentive compensation paid or awarded to such NEO would have been lower if it was calculated based on the achievement of certain financial results that were subsequently the subject of or affected by the material restatement of the Company’s financial statements, and (ii) such NEO engaged in fraud or intentional misconduct which materially contributed to such restatement of the Company’s financial statements.

Benchmarking

Benchmarking

The Company's executive compensation program is benchmarked relative to a peer group of companies with Canadian operations. The peer group reviewed by the CGNC for Fiscal 2018 consists of the 17 Canadian publicly-traded companies listed below (the "**Peer Group**"). The Peer Group comprise a mix of Real Estate Investment Trusts (REITs) and general industry companies, excluding those with a commercial, industrial or commodity focus, that generally align with the Company's long-term strategy and executive talent market. The companies in the Peer Group were selected based on their respective similarity to the Company in terms of size, complexity and focus, and are broadly representative of the talent market for the Company. These companies range in size (generally, between 0.5x and 2x the size of the Company) and were determined to be comparable to the Company in respect of revenue, assets, total enterprise value and employees.

In addition to the foregoing Peer Group, the Company uses the S&P/TSX Capped REIT Index, comprised of 16 real estate investment trust issuers currently listed on the TSX (the "**TSX REIT Sector**"), as a benchmark for certain matters, such as determining sector performance categories and weightings for performance bonuses (see "Fiscal 2018 Performance Goals and Metrics" and "Performance Graph" below).

In designing the Company's compensation program, the CGNC focuses on remaining competitive in the market with respect to total compensation for each executive officer, reviewing each element of compensation for market competitiveness. Accordingly, the CGNC may weigh a particular element more heavily based on the executive officer's particular role within the Company. Based on the 15 companies currently in the Peer Group, the Company is positioned in a reasonable range relative to the peer group across a number of scope statistics, as summarized in the following table:

Elements of NEO Compensation

The compensation for the Company's Named Executive Officers for Fiscal 2018 consisted primarily of three elements: base salary, short-term incentives and long-term incentives. In addition, in order to align further the interests of executives with the interests of Shareholders, the Company has an executive officer share ownership

policy, as well as an employee share purchase plan which is further intended to facilitate support for the achievement of ownership thresholds and encourages a longer-term focus on Shareholder value.

Base Salary

Competitive base salary enables the attraction and retention of talented executives who will contribute to the success of the Company. Salaries are determined following an analysis of peer group benchmarks, general compensation trends and individual performance, including contributions to financial and business results. Salary is reviewed annually by the CGNC.

Incentive Compensation Summary

The Company's incentive plans consist of short-term and long-term incentives delivered as RSUs and EDSUs (with a combined weighting of 40% of the long-term incentive award) and performance share units with three-year performance vesting conditions (60% of the long-term incentive award). The actual short-term incentive award and the value of long-term incentive grants are each determined based on specific performance goals established for each NEO in the year. (See "Statement of Executive Compensation — Fiscal 2018 Performance Goals and Metrics").

Short-Term Incentive Program ("STIP")

The STIP is designed to motivate improvement in financial and operating performance on an annual basis. STIP awards are based on performance achieved relative to pre-determined financial, business and individual performance targets. Awards are approved by the CGNC and earned awards are granted annually in cash, except as may otherwise be approved by the CGNC.

The performance metrics include: Operating Funds from Operations ("**OFFO**"), Net Operating Income ("**NOI**"), Total Shareholder Return relative to the S&P/TSX Capped REIT Index and the S&P/TSX Composite Low Volatility Index (the "**Financial Metrics**"),⁽¹⁾ as well as individual goals related to the executive's specific areas of accountabilities and the Company's annual business plan objectives. Minimum performance thresholds for each performance metric must be accomplished before a payout or partial payout under the STIP is made. A sliding scale is applied for the Financial Metrics, such that varying payout amounts from 50% to 150% apply when the performance threshold is between 90% and 110% (the "**Scale**").

Long-Term Incentive Program

For Fiscal 2018, the Company's Long-Term Incentive Program for executive officers was generally comprised of the following two components: (i) the RSU Plan, pursuant to which RSUs are awarded; and (ii) the EDSU Plan, pursuant to which EDSUs are awarded. Executive officers must receive at least 25% of their long-term incentive award pursuant to the Long-Term Incentive Program in EDSUs, and can receive up to a maximum of 100% of the grant in EDSUs at such executive officer's election. The remaining portion of the award not received in EDSUs will be granted in RSUs. However, to the extent that an executive officer elects to receive all or a portion of the Performance RSUs (as described below) in EDSUs, the performance based vesting criteria applicable to those RSUs will continue with, and apply to, the EDSUs that such executive elects to receive in place of the Performance RSUs. Awards pursuant to these plans are collectively intended to reward senior management for their sustained contributions to the Company and provide an incentive to enhance long-term performance and maximize Shareholder value. In addition, STIP awards granted to executive officers are eligible for contribution to the EDSU Plan, in whole or in part, thereby facilitating support for the achievement of ownership thresholds required by the Executive Share Ownership Policy, reducing the cash requirements of the Company, and further encouraging a longer-term focus on Shareholder value.

Effective as of the end of Fiscal 2017, the LTIP was terminated. For a description of the LTIP insofar as it relates to compensation for prior periods for which Incentive Amounts or Award Shares (as defined in the LTIP)

(i) Restricted Share Unit Plan

Under the RSU Plan, the CGNC may grant an award in the form of RSUs (each, an "**RSU Award**") annually in respect of the prior fiscal year to eligible participants, which include the President and CEO of the Company, an Executive Vice-President of the Company, or an officer of the Company or any of its subsidiaries who performs a policy making function in respect of the Company and such other officers or employees of the Company as the CGNC may determine from time to time. Non-executive Directors of the Company are not eligible participants for purposes of the RSU Plan. In respect of each RSU Award, the eligible participant is credited that number of RSUs (rounded down to the nearest whole number) equal to the quotient obtained by dividing the value of such participant's award by the volume weighted average closing price of the Common Shares on the TSX for the five trading days immediately preceding the date of the award. An "RSU Account" will be maintained by the Company for each participant and will show the RSUs credited to such participant from time to time.

Subject to the discretion of the CGNC to accelerate vesting, a participant's RSU Award will vest on the third anniversary of the date upon which the RSUs are granted (the "**Vesting Date**").

As discussed above under "Statement of Executive Compensation — Recent Changes to the Company's Executive Compensation Program", the Board approved the introduction of performance based vesting criteria for 60% of the RSU Awards granted as of Fiscal 2018. This particular portion of the RSUs (referred to as "**Performance RSUs**") are considered to be an "at-risk" notional award, the vesting of which are subject to "Relative Total Shareholder Return" (TSR) as the sole performance measure (to be compared to the average annualized return of the S&P/TSX Capped REIT Index and the S&P/TSX Composite Low Volatility Index measured in the 30 trading days immediately preceding the start of the three year performance period and the 30 trading days immediately preceding the end of the three year performance period). The number of Performance RSUs to ultimately vest will be determined based on a performance multiplier having a possible range of 50% (i.e. half of the Performance RSUs vest) to 150% (i.e. one and a half times the number of the Performance RSUs vest). All other terms of the RSU Plan apply to these RSU Awards having a performance based vesting criteria.

RSU Plan participants are notionally entitled to receive distributions per RSU equal to the amount of dividends paid per Common Share. Such distributions will be credited to the participant's RSU Account in the form of additional RSUs. The number of RSUs to be credited for each dividend will be equal to the aggregate amount of such dividend divided by the volume weighted average closing price of the Common Shares on the TSX for the five trading days immediately preceding the date such dividend was declared. For purposes of vesting, all such RSUs shall be deemed to have the same grant date as those RSUs for which the applicable dividends were notionally declared.

Effective as of a given Vesting Date, subject to a participant's option to redeem all or a portion of vested RSUs in cash, the Company will redeem each vested RSU by issuing one Common Share for each RSU so redeemed. Any lump sum payment in cash will be calculated by multiplying the number of RSUs to be redeemed for cash by the volume weighted average closing price of the Common Shares on the TSX for the five trading days immediately preceding the applicable Vesting Date.

Under the RSU Plan, the maximum number of Common Shares that may be reserved for issuance at any time upon the redemption of RSUs is 2% of the Common Shares issued and outstanding from time to time. The RSU Plan provides that no RSUs may be credited to any participant if such credit could result, at any time, in: (a) the number of Common Shares reserved for issuance to participants, pursuant to the redemption of RSUs and any other common share compensation arrangement, exceeding 10% of Common Shares then issued and outstanding; (b) the number of Common Shares issuable to insider participants pursuant to the redemption of RSUs, at any time under the RSU Plan and any other common share compensation arrangements, exceeding 10% of Common Shares then issued and outstanding; or (c) the number of Common Shares issued to insider participants pursuant to redemption of RSUs, within anyone-year period, under the RSU Plan and any other common share compensation arrangements, exceeding 10% of Common Shares then issued and outstanding.

RSUs that cannot be redeemed as a result of having terminated or expired, or having been redeemed for cash in accordance with the RSU Plan, shall be available for subsequent RSU Awards. The RSU Plan is an “evergreen” plan whereby the number of Common Shares equivalent to the number of RSUs and securities of any other common share compensation arrangement (including the LTIP) that have been issued, exercised, terminated, cancelled, redeemed, repurchased or expired, at any time, are immediately re-reserved for issuance under the RSU Plan and available for future issuances subject to the limits contained in the RSU Plan.

The RSU Plan provides that the CGNC reserves the right, in its absolute discretion, to amend, suspend or terminate the RSU Plan, or any portion thereof, at any time without obtaining the approval of Shareholders, subject to those provisions of applicable law and regulatory requirements (including the rules, regulations and policies of the TSX, if any, that require the approval of Shareholders). Such amendments may include, without limitation: (a) minor changes of a “house-keeping nature”, including, without limitation, any amendment for the purpose of curing any ambiguity, error or omission in the RSU Plan or to correct or supplement any provision of the RSU Plan that is inconsistent with any other provision of the RSU Plan; (b) amending any rights already acquired by a participant under the RSU Plan, including such rights that relate to the effect of termination of a participant’s employment; provided that (except with respect to any amendments described in (c) below) if such amendment materially and adversely alters or impairs such rights, including such participant’s entitlement to any RSUs previously granted to him or her under the RSU Plan, the CGNC shall first obtain the consent of such participant; (c) amendments necessary to comply with the provisions of applicable law or the applicable rules of the TSX, including with respect to the treatment of RSUs issued under the RSU Plan; (d) amendments respecting the administration of the RSU Plan; (e) amendments necessary to suspend or terminate the RSU Plan; (f) a change relating to the eligibility of any participant in the RSU Plan; and (g) any other amendment, fundamental or otherwise, not requiring shareholder approval under applicable laws or the applicable rules of the TSX.

Notwithstanding the foregoing, the Company will be required to obtain the approval of the Shareholders for any amendment related to: (i) any amendment to remove or exceed the participation limit of insider participants; (ii) any increase to the maximum number of Common Shares issuable under the RSU Plan upon redemption of the RSUs; (iii) amendments to the eligible participants under the RSU Plan that may permit the introduction of non-employee directors on a discretionary basis; (iv) any amendment which would permit the RSUs granted under the RSU Plan to be transferable or assignable (other than for normal estate settlement purposes) prior; or (v) amendments to the amending provisions.

Subject to the discretion of the CGNC, unvested RSUs shall be forfeited to the Company on Resignation of a participant or Termination for Cause (each as defined in the RSU Plan). On Termination without Cause or Incapacity to Work (each as defined in the RSU Plan), subject to the discretion of the CGNC, participants shall receive a pro rata amount reflecting that portion of the three year vesting period during which they were employed by the Company. Upon fully agreed Retirement or death, subject to the CGNC’s discretion, participants may participate in all awards at the established vesting dates. In the event of a Change of Control (as defined in the RSU Plan), any unvested RSUs may be replaced with similar restricted share units of the entity resulting from the transaction on substantially the same terms and conditions as the RSU Plan, unless such replacement is not possible, practical or advisable. If the CGNC determines that such replacement is not possible, practical or advisable, the CGNC may accelerate vesting of any and all outstanding RSUs to provide that such outstanding RSUs shall be fully vested upon or prior to the completion of the transaction resulting in the Change of Control.

A participant is not entitled to transfer, assign, charge, pledge or hypothecate, or otherwise alienate, whether by operation of law or otherwise, the participant’s RSUs or any rights the participant has in the RSU Plan, other than for normal estate settlement purposes.

The burn rate of the RSU Plan (being the total number of RSUs granted, divided by the weighted average number of Common Shares outstanding) for the years ended December 31, 2016, 2017 and 2018 was as follows:

<u>Year</u>	<u>Burn Rate</u>
2018	0.04%
2017	0.01%
2016	0.04%

(ii) Executive Deferred Share Unit Plan

Effective August 8, 2018, the EDSU Plan was amended and restated to effect minor changes of a “house-keeping nature” and to cure ambiguity in certain plan provisions by the insertion of clarifying language. The changes included clarifying the method of determining the date and amount of payment of a redemption amount to which a participant is entitled under the EDSU Plan, and to specifically provide that participants are required to adhere to the Company’s Disclosure and Insider Trading Policy (in particular, with respect to the prohibitions on trading and hedging) until after the time of payment. The EDSU Plan is intended to allow participants to participate in the long-term success of the Company and promote a greater alignment of interests between the participants and Shareholders of the Company, while reducing the cash requirements of the Company, to the extent that participants elect to receive all or a percentage of their annual short and long-term incentive awards in the form of notional Common Shares (deferred share units or EDSUs). Each participant in the EDSU Plan, at his or her discretion, is entitled to elect to have up to 100% of his or her annual STIP and long-term incentive awards contributed to the EDSU Plan. In satisfaction of such contribution, the participant is credited that number of EDSUs equal to the quotient obtained by dividing the amount of the contribution by the volume weighted average closing price of the Common Shares on the TSX for the five trading days immediately preceding the date of payment. For Fiscal 2017 and earlier periods, the Company matched a certain percentage of EDSUs so credited to the participant’s account pursuant to the Long-Term Incentive Program (but not the STIP). Effective as of the end of Fiscal 2017, the matching component of the EDSU Plan was eliminated. See “Statement of Executive Compensation — Recent Changes to the Company’s Executive Compensation Program”.

Subject to the discretion of the CGNC to accelerate vesting, a participant’s EDSUs will vest on the third anniversary of the date upon which the EDSUs are granted, except for EDSUs contributed pursuant to a participant’s STIP award which vests immediately. EDSU Plan participants are notionally entitled to receive distributions per EDSU equal to the amount of dividends paid per Common Share. Such distributions will be credited to the participant’s EDSU account in the form of additional EDSUs. The number of EDSUs to be credited for each dividend will be equal to the aggregate amount of such dividend divided by the volume weighted average closing price of the Common Shares on the TSX for the five trading days immediately preceding the date such dividend was declared. For purposes of vesting, all such EDSUs shall be deemed to have the same grant date as those EDSUs for which the applicable dividends were notionally declared. Participants are not entitled to transfer, assign, charge, pledge or hypothecate or otherwise alienate EDSUs other than for normal estate settlement purposes.

EDSUs may be redeemed only when a participant no longer serves as an executive officer (or officer or employee, as applicable) of the Company for any reason, including in the event of the death of the participant. Redemptions are paid out in cash. Each participant is required to elect annually the amount of his or her annual short and long-term incentive awards that will be contributed to the EDSU Plan for the upcoming year. Participants may change their election from year to year.

Copies of the RSU Plan, DSU Plan and EDSU Plan are available from the Vice-President, General Counsel and Corporate Secretary of the Company upon written request to 302 Town Centre Blvd., Suite 300, Markham, Ontario, L3R 0E8 or by calling 905-477-4006 ext. 3060.

Minimum Share Ownership Policy

The CGNC adopted an executive share ownership policy (the “**Executive Share Ownership Policy**”) requiring certain executive officers to hold, by the earlier of December 31, 2019 or five (5) years from the date of hire, a combination of Common Shares, RSUs and/or EDSUs equal to: three times the annual base salary for the CEO, and one time the annual base salary for all other identified executive officers. The table below sets forth each NEO’s eligible holdings as at March 31, 2019, and ownership threshold requirements to be achieved by the earlier of December 31, 2019 or five (5) years from the date of hire.

Notes:

- (1) Minimum share ownership threshold requirements are calculated based on the market value of the common shares, RSUs and EDSUs as determined based on the \$18.93 closing price of Common Shares on the TSX on March 31, 2019.
- (2) 44,583 of the total Common Shares held by Ms. Cormack were acquired pursuant to the LTIP. 13,017 of the total Common Shares held by Mr. Jain were acquired pursuant to the LTIP. Prior to its termination effective as of the end of Fiscal 2017, eligible participants under the LTIP were entitled to borrow from the Company, at the prime rate of interest per annum established by the Company’s bank or at such other interest rate as determined by the CGNC, an amount not greater than 95% of the aggregate purchase price for the Common Shares in order to acquire such Common Shares. Each such loan is due and payable on the date which is ten years from the date the related Common Shares were issued to the recipient. Until a loan has been repaid in full, the related Common Shares are pledged to the Company as security against the outstanding balance of such loan and personally guaranteed by the holder, any cash dividends declared on such Common Shares are applied against the outstanding balance of such loan, and the holder thereof is not entitled to assign or exercise any voting rights attached to such Common Shares. All loans in connection with the LTIP bear interest at the Canadian prime rate prevailing at the Company’s bank at the time of grant. As of the date of this Information Circular, the balance owing by each of Ms. Cormack and Mr. Jain to the Company pursuant to the LTIP is 602,731 and 186,431, respectively, which continues to be secured by 44,583 pledged Common Shares and 13,017 pledged Common Shares, respectively.
- (3) Excludes 4,980 Common Shares held by immediate family members.
- (4) Excludes 275 Common Shares held by immediate family members.

Employee Share Purchase Plan

In 2016, the CGNC and the Board, as applicable, approved the implementation of the employee share purchase plan (the “**Employee Purchase Plan**”) effective January 1, 2017. Executive officers of the Company are eligible to participate in the Employee Purchase Plan on the same basis as all other Company employees. An employee who has elected to participate in the Employee Purchase Plan may make personal cash contributions in an amount per pay period equal to a percentage no greater than 10% of eligible earnings (being the basic earnings received by an employee per pay period from the Company, excluding overtime, premiums, vacation and sick pay, statutory holiday pay, all benefits realized from stock options, commissions and all bonuses). The contributed amount is automatically deducted from the employee’s earnings through payroll deduction and Solium Capital Inc., as the current administrative agent under the Employee Purchase Plan, uses the funds received from all participating employees’ personal contributions (as well as cash dividends paid on the Common Shares held of record by the administrative agent for and on behalf of the employees) to acquire Common Shares at market price for the benefit of the participating employees. Common Shares are then allocated to the personal account of each participating employee, in proportion to their personal cash contributions. An employee may terminate his or her participation in the Employee Purchase plan at any time, and withdraw up to 100% of the Common Shares vested in his or her account without penalty. The Employee Purchase Plan facilitates support for the achievement of ownership thresholds required by the Executive Share Ownership Policy, and encourages a longer-term focus on Shareholder value.

Fiscal 2018 Performance Goals and Metrics

An NEO’s compensation under the STIP is based on a mix of achieving Sienna’s corporate goals and targets (the “**Sienna Goals**”) and certain individual goals within the NEO’s sphere of managerial control (the “**Individual Goals**”), except for Ms. Cormack, whose STIP compensation was based solely on the achievement of the Sienna Goals.

The following graph illustrates Sienna’s total cumulative return over the previous five year period on its Common Shares, assuming a \$100 investment was made on December 31, 2013 and re-investment of distributions, compared to the total cumulative return of the S&P/TSX Capped REIT Total Return Index and the S&P/TSX Composite Index for the same five-year period. On December 31, 2018, the Common Shares closed at \$15.74 per Common Share. During the period, the total cumulative return for \$100 invested in Common Shares was \$183.16 as compared to \$144.20 for the S&P/TSX Capped REIT Total Return Index and \$121.96 for the S&P/TSX Composite Index.

Trends Between NEO Compensation and Shareholder Return

In the medium- and long-term, NEO compensation is directly affected by the Company’s share performance as a result of awards in the form of RSUs that vest at the end of three years (and as of Fiscal 2018, 60% of these RSUs granted as performance share units with three-year performance vesting conditions), providing alignment of management and shareholder interests. In the short-term, comparing NEO compensation to shareholder returns is not informative, in part because equity-based incentives are calculated at the time of grant, which do not reflect the actual value of compensation paid when such incentives vest.

The aggregate compensation for Sienna's top five paid executives in 2016, 2017 and 2018 was \$2,789,780, \$3,232,145 and \$4,369,040, respectively. The following chart represents the total compensation paid to NEOs as a percentage of OFFO and the Company's market capitalization for the respective years.

	<u>2018</u>	<u>2017</u>	<u>2016</u>
Total NEO Compensation	\$ 4,369,040	\$ 3,232,145	\$ 2,789,780
OFFO ⁽¹⁾	\$89,897,000	\$64,343,000	\$52,780,000
Total NEO Compensation as a percent of OFFO	4.9%	5.0%	5.3%
Total NEO Compensation as a percent of market capitalization (as at December 31 of each year)	0.4%	0.3%	0.4%

- (1) OFFO is a non-GAAP (generally accepted accounting principles) measure that does not have a standardized meaning prescribed by International Financing Reporting Standards (IFRS). See "Explanation of Non-GAAP Measures" on page 48 of this Information Circular.

Notes:

- (1) The total direct compensation awarded includes all compensation set out in the "Summary Compensation Table" on page 32 of this Information Circular with the exception of distributions on RSUs and EDSUs. Effective for Fiscal 2018, the Board approved the introduction of performance based vesting criteria for 60% of the RSU Awards granted. See "Statement of Executive Compensation—Recent Changes to the Company's Executive Compensation Program". Accordingly, the vesting of \$293,250 of the total direct compensation awarded as of December 31, 2018 is subject to TSR as the sole performance measure and the number of Performance RSUs to ultimately vest will be determined based on a performance multiplier having a possible range of 50% (i.e. half of the Performance RSUs vest) to 150% (i.e. one and a half times the number of the Performance RSUs vest).
- (2) Represents the actual value of CEO compensation for each \$100 awarded in total direct compensation during the fiscal year indicated.
- (3) Represents the cumulative value of \$100 invested in Common Shares made on the first day of the period indicated, assuming reinvestment of distributions. The weighted average shareholder returns are based on the returns over the entire period.
- (4) Includes the value of RSUs paid out on vesting three years after grant.

On termination or change of control, RSUs and EDSUs generally vest only at the discretion of the CGNC or else are forfeited or continue on the vesting schedule described above under “Elements of NEO Compensation — Long Term Incentive Program”. The value of vesting RSUs and EDSUs has been determined based on the \$15.74 closing price of Common Shares on the TSX on December 31, 2018. These figures exclude the EDSUs that have vested as of December 31, 2018 (Lois Cormack: \$979,821; Nitin Jain: \$94,642; Joanne Dykeman: \$171,007; Lisa Kachur: \$65,224), which will be paid to each of the NEOs upon their departure from the Company.
- (2) This amount is presented in connection with a change of control on December 31, 2018. If termination is for any reason other than cause, the total payment would be \$4,742,444 (Lois Cormack: \$2,694,847; Nitin Jain: \$844,390; Joanne Dykeman: \$654,342; Lisa Kachur: \$548,864).

On March 25, 2019, a total of 8,491 RSUs held by Mr. Annable vested in accordance with the terms of the RSU Plan. Further, 20,322 EDSUs in Mr. Annable’s EDSU account are eligible for redemption prior to the end of Fiscal 2020 on a date to be designated by Mr. Annable in accordance with the terms of the EDSU Plan. See “Statement of Executive Compensation — Elements of NEO Compensation — Long-Term Incentive Program.”

Director Compensation

Director Fees

Each of the non-employee Directors of the Company is entitled to receive an annual retainer of \$35,000. The Chairman of the Board is entitled to an additional annual retainer of \$50,000. The chair of the Audit Committee is entitled to receive an additional annual retainer of \$15,000. The chair of the CGNC is entitled to receive an additional annual retainer of \$10,000. Each of the non-employee Directors of the Company is entitled to receive a fee of \$2,100 per meeting for each Board or committee meeting which such Director attends in person (inclusive of a \$100 expense allowance) and \$1,000 per meeting for attending by telephone.

Deferred Share Unit Plan

Effective August 8, 2018, the Company's deferred share unit plan (the "**DSU Plan**") was amended and restated to effect minor changes of a "house-keeping nature" and to cure ambiguity in certain plan provisions by the insertion of clarifying language. The changes included clarifying the method of determining the date and amount of payment of a redemption amount to which a participant is entitled under the DSU Plan, and to specifically provide that participants are required to adhere to the Company's Disclosure and Insider Trading Policy (in particular, with respect to the prohibitions on trading and hedging) until after the time of payment. The DSU Plan is intended to allow participants to participate in the long-term success of Sienna and promote a greater alignment of interests between the participants and Shareholders of the Company, while reducing the cash requirements of Sienna, to the extent that participants elect to receive their fees in the form of notional Common Shares (deferred share units or "**DSUs**"). Each member of the Board who is not also an employee of the Company, at his or her discretion, is eligible to participate in the DSU Plan. Under the DSU Plan, each such Director is entitled to elect to have up to 100% of his or her annual retainer fees in respect of his or her services as a Director and/or committee chair contributed to the DSU Plan. In satisfaction of such fees, the participant is credited that number of DSUs equal to the quotient obtained by dividing the fees payable by the volume weighted average closing price of the Common Shares on the TSX for the five trading days immediately preceding the date of payment. In addition, the Company matches all DSUs so credited, such that the number of DSUs credited to such Director is equal in value to two times the contributed fees.

Participants are notionally entitled to receive distributions per DSU equal to the amount of dividends paid per Common Share. Such distributions are credited to the participant as additional DSUs. The number of DSUs so credited for each dividend is equal to the aggregate amount of such dividend divided by the volume weighted average closing price of the Common Shares on the TSX for the five trading days immediately preceding the date such dividend was paid.

DSUs vest immediately upon grant and may be redeemed only when a participant no longer serves on the Board of Directors for any reason (and is not otherwise employed by the Company). Redemptions are paid out in cash. Each Director is required to elect annually the amount of his or her fees that will be contributed to the DSU Plan for the upcoming year. Directors may change their election from year to year. Fees payable to a Director in respect of his or her attendance at meetings are not eligible for purposes of the DSU Plan.

The combined burn rate for the RSU Plan and the LTIP (being the total number of RSUs and Award Shares granted, divided by the weighted average number of Common Shares outstanding) for the years ended December 31, 2016, 2017 and 2018 was as follows.

<u>Year</u>	<u>Burn Rate</u>
2018	0.06%

participants under the LTIP were entitled to purchase Common Shares equal to the quotient obtained by dividing such participant's award opportunity by the volume weighted average closing price of the Common Shares on the TSX for the five trading days immediately preceding the award date. Under the LTIP, each participant could borrow from the Company, at the prime rate of interest per annum established by the Company's bank or at such other interest rate as determined by the CGNC, an amount not greater than 95% of the aggregate purchase price for the Common Shares in order to acquire such Common Shares. Each such loan is due and payable on the date which is ten years from the date the related Common Shares were issued to the recipient. Until a loan has been repaid in full, the related Common Shares are pledged to the Company as security against the outstanding balance of such loan and personally guaranteed by the holder, any cash dividends declared on such Common Shares are applied against the outstanding balance of such loan, and the holder thereof is not entitled to assign or exercise any voting rights attached to such Common Shares. All loans made in respect of Fiscal 2017 or prior periods in connection with the LTIP bear interest at the Canadian prime rate prevailing at the Company's bank at the time of grant.

These consulting mandates may include assisting the Board in undertaking its annual Board evaluation process, facilitating the Director peer feedback initiative (the "**Director Peer Feedback**"), and updating the Board Skills Matrix with input from all Directors.

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. Additionally, National Instrument 58-101 — *Disclosure of Corporate Governance Practices* prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

- The independent members of the Board are Dino Chiesa, Paula Jourdain Coleman, Janet Graham, Jack MacDonald and Stephen Sender.

Mandate of the Board of Directors

The Board, directly as well as through its committees, oversees the conduct of the business and affairs of the Company. The mandate of the Board of Directors is attached to this Information Circular as Appendix A. This mandate has been adopted by the Board to help assure that it will have the necessary framework to review and evaluate the Company’s business operations, manage risk and to make decisions and arrive at conclusions that are independent of the Company’s management. Among the priorities and responsibilities, the Board is responsible for satisfying itself that appropriate policies and procedures are in place to identify and manage the risks applicable to the Company. At least annually, the Board, or its committees, meet with management regarding the risks applicable to the Company. Management has adopted an enterprise risk management framework to identify key risks faced by the Company and to annually assess these risks based on inherent likelihood, impact to the Company and management’s effectiveness in managing the risks. Management of key risks is incorporated into the Company’s annual operating plan and monitored and reported on regularly.

Position Descriptions

The Chair of the Board of Directors and Committee Chairs

The Board of Directors has a written position description for the Chair of the Board, which sets out the Chair's key responsibilities, including duties relating to setting Board meeting agendas, chairing Board and Shareholder meetings, ensuring Directors are apprised of matters which are material to Directors on a timely basis, and providing advice, counsel and mentorship to the Company's management team. The Board has also adopted written position descriptions for the chair of the Audit Committee and for the chair of the CGNC, which position descriptions set out each of the committee chair's key responsibilities, including duties relating to setting committee meeting agendas, chairing committee meetings, working with the respective committee members and management to ensure, to the greatest extent possible, the effective functioning of the committee, and ensuring processes established by the Board for assessing the performance of the committee occurs and responsibilities assigned to the committee under the terms of its charter are discharged on a timely and diligent basis.

The Chief Executive Officer

The Board of Directors has a written position description describing the appointment, role and responsibilities for the CEO of the Company. The CEO is generally responsible for the development and implementation of the Company's approved strategic plan. In discharging his or her responsibility for oversight of the Company's business, subject always to the oversight of the Board, the CEO is required to, among other things, develop, or supervise the development of, and recommend to the Board a long-term strategy and vision for the Company that leads to enhancement of shareholder value; strive to achieve the Company's financial and operating goals and objectives and report regularly to the Board on the progress against these goals, and on the overall condition of the Company's business; ensure that the day-to-day business affairs of the Company are appropriately managed; and providing advice, counsel and mentorship to the Company's management team. The Board retains discretion in the making of material decisions outside the ordinary course of the company's business, the appointment and removal of senior officers of the Company, and such other matters as the Board may determine from time to time.

Ethical Business Conduct

The Board of Directors has adopted a code of business conduct and ethics (the "**Code**") that sets out the principles and practices expected to guide the behaviour of Directors, officers and employees of Sienna. The Code addresses, among others, the following issues:

- conflicts of interest;
- protection and proper use of corporate assets and opportunities;
- confidentiality of corporate information;
- fair dealing with the Company's competitors and persons with whom Sienna has a business relationship;
- compliance with laws, rules and regulations; and
- reporting of any illegal or unethical behaviour.

Through the Company's whistleblower policy, the Board has established procedures that allow employees of the Company to confidentially and anonymously submit concerns to the chair of the Audit Committee (who is independent of management of Sienna) regarding any accounting or auditing matter or any other matter of a financial nature which such employee believes to be in violation of the Code. Any complaints received are acknowledged and promptly investigated, and a log of all complaints that are received is maintained, tracking their receipt, investigation and resolution. Any complaints that relate to a questionable accounting or auditing matter will be immediately brought to the attention, and reviewed under the direction, of the Audit Committee.

The Board of Directors (or any committee to which that authority has been delegated) can grant waivers of compliance with the Code. No such waiver has been granted since the adoption of the Code and consequently,

the Company filed no material change report during the last fiscal year pertaining to any conduct of a Director or executive officer of the Company that constitutes a departure from the Code.

A copy of the Code is available from the Vice-President, General Counsel and Corporate Secretary of the Company upon written request to 302 Town Centre Blvd., Suite 300, Markham, Ontario, L3R 0E8 or by calling 905-477-4006 ext. 3060, or may also be found on SEDAR at www.sedar.com and on the Company's website at www.siennaliving.ca.

To ensure the Directors exercise independent judgment in considering transactions, agreements or decisions in respect of which a Director or executive officer has a material interest, such Director or executive officer is required to recuse himself or herself from the Board meeting at the time such transaction, agreement or decision is considered by the Board and such individual will not be permitted to cast a vote on the matter.

Recognizing that "related party transactions" can present perceived or actual conflicts of interest and may raise questions about whether such transactions are consistent with the Company's and its Shareholders' best interests, the Company has adopted a Related Party Transaction Policy. That policy sets out defined criteria and procedures for the review, approval or ratification by the CGNC of any potential Related Party Transactions involving the Company.

Succession Planning

The Board is responsible for the oversight of succession planning for the executive leadership team. The CEO conducts performance evaluations of each of the executive leadership team and succession planning takes place with them during the evaluatory process. The CGNC evaluates the CEO and considers succession planning in that context. Succession among the executive leadership team of the Company is considered on a continuous basis by the CGNC, and reported to the Board.

Social, Governance and Environmental Responsibility

Sienna's approach to corporate social responsibility is based upon the premise that each of the communities in which it operates is unique. The Company has committed to initiatives aimed at creating positive experiences for its stakeholders and making its operations more sustainable. Sienna's commitment to corporate social responsibility includes the following social, governance and environmental initiatives and results:

Social

- Sienna is an active leader in the Canadian Association of Long Term Care, Ontario Long Term Care Association, Ontario Retirement Communities Association, BC Care Providers Association and BC Seniors Living Association.
- In July 2018, Sienna's British Columbia long-term care residences received a four-year Accreditation with Exemplary Standing — the highest distinction awarded by Accreditation Canada. This recognizes Sienna's long-term care residences in British Columbia for going beyond the requirements of the national accreditation program and demonstrates excellence in quality improvement.
- In 2017, Sienna was named one of Canada's Most Admired Corporate Cultures by Waterstone Human Capital. This award highlights the Company's commitment to cultivating and sustaining a culture that promotes social responsibility and is supportive of employees.
- On June 1, 2017, the Company launched "Sienna for Seniors," an integrated, company-wide charitable giving program. The program supports marginalized seniors facing economic and social challenges in the local communities that the Company serves. In 2018, approximately \$216,000 was raised. Funds remain in the community in which they were raised, supporting charities with seniors-focused programs that include the United Way, regional Alzheimer Societies, and other local charities.

- The Company's involvement and support of advancing research in seniors' living includes the following projects and research partners:
 - a program aimed to reduce emergency room transfers in cooperation with the William Osler Health System;
 - improving emotional health of older adults through better understanding of the impact of virtual reality in cooperation with the Centre for Elder Research, Sheridan College;
 - the promotion of increased participation of older adults in making care decisions in a collaborative environment in cooperation with the Lawrence S. Bloomberg Faculty of Nursing, University of Toronto and Baycrest Health Sciences; and
 - a study focused on the impact of nutrition in long-term care communities in cooperation with the University of Waterloo and Schlegel Research Institute for Aging.
- Sienna collaborates with over 50 local educational institutions to innovate and bring best practices in seniors' living and care to its residences. With a focus on diversity, the partnerships with these institutions facilitate student placements, applied research, and continuous professional development. Sienna places a strong emphasis on being part of every community it serves through hiring locally within its communities.

Governance

- In 2018, Sienna was among the top 5 companies listed on the TSX when it comes to gender diversity. As of December 31, 2018, 50% of the Company's Board of Directors and 60% of the Company's senior executive team is comprised of female leaders, a testament to Sienna's commitment to recruiting, promoting and retaining women in leadership roles in the organization.

Environmental

- The Company is continuously looking for ways to make its operations more sustainable and focuses on updating its infrastructure through key initiatives, including:
 - Increasing water conservation by installing Flow Management Devices (FMD), a water-saving technology; and
 - Decreasing energy consumption by replacing lighting systems, older appliances, fixtures and equipment with more energy-efficient alternatives and whenever possible, participate in ENERGY STAR programs.

Diversity in the Board and Management

Management

The Company is committed to fostering an open and inclusive workplace culture. The Company's Code of Business Conduct and Ethics (described under the heading "Ethical Business Conduct", below) underscores a commitment to diversity, recognizing it as a tremendous asset. The Code of Business Conduct and Ethics explicitly states that the Company is firmly committed to providing equal opportunity in all aspects of employment.

Diversity, and the representation of women in particular, plays a key role in the Company's recruitment and succession planning processes. When identifying suitable candidates for executive positions, Sienna considers candidates on ability and merit against objective criteria having due regard to the benefits of diversity and the needs of the organization. While the Company has not adopted any specific gender targets for executive officers (as the preference is to permit the Company to maintain flexibility in identifying a qualified pool of candidates that adequately reflects the various diverse characteristics that the Company seeks to promote from time to time), the Company endeavours to ensure that the candidate pool for any executive positions that become available in the organization reflect a commitment to diversity. Currently, the President and CEO of the Company is a woman and, in Fiscal 2018, four of the six executive officers of the Company (60%) were women.

Board

The Board believes that it is in the best interests of the Shareholders for the Board to comprise of men and women representing different points of view. In February 2015, the Board adopted a Board Diversity Policy, in recognition that a board of directors comprised of highly qualified individuals from diverse backgrounds who understand the changing complexity of the business environment in which the Company operates, promotes better corporate governance. The Board Diversity Policy expressly encourages diversity in the broadest sense, including with respect to functional expertise, personal skills, ethnicity and geographic background. The Board accordingly aims to be comprised of directors who have a range of perspectives, insights and views in relation to the opportunities and issues facing the Company, with an emphasis on finding the best qualified candidates given the needs and circumstances from time to time. Currently, the Chair of the Audit Committee, one of the two committees of the Board, is a woman and two of the six independent nominees for election to the Board (33% or 1/3rd) are women.

Effective February 2019, the Board adopted a target for women representation on the Board of one-third (1/3rd) of independent directors.

Nomination of Directors

The CGNC is responsible for identifying and investigating potential candidates for nomination to the Board, including nominations put forward by Shareholders, and recommending prospective Directors, as required, who will provide an appropriate balance of knowledge, experience and capability on the Board. The CGNC carefully reviews and assesses the professional skills, abilities, personality and other qualifications of each proposed nominee for election to the Board, including the time and energy that the nominee is able to devote to the directorship as well as the specific contribution that he or she can be expected to make to the Board. The CGNC then puts forward its nomination recommendations to the Board for approval. On the recommendation of the CGNC, the Board puts forth director nominees for election at the annual meeting of Shareholders, and may also add new directors in between Shareholder meetings if determined to be appropriate and advisable to reflect the Company's growth, geographic scope and overall business interests. However, in accordance with the *Business Corporations Act* (British Columbia), the size of the Board may not be increased by the Directors between annual meetings of the Shareholders by more than one and one-third the number of directors elected at the last annual meeting of Shareholders without Shareholder approval.

Retirement of Directors

A Director who is an officer of the Company (other than a person who served as an officer in an interim capacity) is required to resign from the Board at the time he or she retires or otherwise ceases to be an active employee of the Company. A Director may also be asked to resign from the Board in accordance with the Company's By-Laws if circumstances arise that materially impair such Director's ability to fulfill his or her obligations as a member of the Board, as well as in cases where a Director nominee receives a greater number of votes "withheld" than votes "for" in an uncontested election (see "Matters to be Acted Upon at the Meeting — Majority Voting").

The Company does not otherwise have a mandatory retirement policy for members of the Board. It is the Company's belief that Directors who have served on the Board for an extended period of time have the experience and understanding to be able to provide valuable insight and perspective in light of the Company's history, policies and objectives. This is important for the stable continuity of the business. Further, it is the Company's belief that productivity and meaningful contribution in any number of areas does not end at a certain age. The Company is committed to its mandate and strives to be age-positive not only for seniors living in its communities, but for its employees and Directors as well: seniors are valuable and important contributors to society, and a mandatory retirement age is inconsistent with this belief. Accordingly, the Board balances the benefits of experience and contributions being made by individuals to the Board, with the importance of fresh perspectives brought by new Board members by ensuring that Board renewal is reviewed and discussed on an annual basis. This is done informally and formally in the context of assessing the effectiveness of the Board, its committees and individual Board members (see "Corporate Governance Disclosure — Assessments").

The Board is committed to make changes to its composition to replace Directors who retire, unexpectedly resign or no longer meet Sienna's current desired attributes for a Director, as well as to reflect the results of the annual Director evaluation process to help Sienna achieve long-term success.

Director Compensation

The CGNC approves the compensation of the Company's Directors and executive officers. In doing so, the committee reviews, as appropriate, industry data published by compensation consultants for comparable positions. The CGNC reviews performance annually. The CGNC is comprised entirely of independent Directors.

Compensation, Governance and Nominating Committee

The CGNC consists of five (5) Directors, each of whom is an independent Director of the Company. In addition to the role it plays in compensation matters discussed above under the heading "Statement of Executive Compensation", the CGNC is also responsible for developing the Company's approach to governance issues, monitoring and overseeing the quality and effectiveness of the corporate governance practices and policies of the Company, making recommendations to the Board with respect to new members of the Board and reviewing the effectiveness of the Directors and the contribution of individual Directors.

Other Board Committees

Other than the Audit Committee and the CGNC, the Board does not have (and does not currently intend to have) any other standing committees.

Meetings Independent from Management

The Directors meet on a periodic basis as required or desirable. During 2018 there were four regularly scheduled quarterly Board meetings, one annual strategy session and one annual meeting following the annual meeting of Shareholders. The Board also holds separate meetings from time to time as it considers advisable in its conduct of business during the year (on three other occasions during 2018).

At each Board meeting, as well as at each committee meeting, the Directors hold "in camera" sessions, in the absence of non-Independent Directors or executive officers of the Company. For Fiscal 2018, the Board held a total of nine meetings, each having an agenda specifically providing for an "in camera" session.

The two Committees of the Board are composed entirely of Independent Directors and, as with the Board meetings, each Committee meeting has an agenda, which specifically provides for an "in camera" session. In Fiscal 2018, four such Audit Committee meetings were held and four such CGNC meetings were held.

Assessments

The CGNC is responsible for annually reviewing and assessing the effectiveness of the Board, the committees of the Board and of the individual Directors. As part of the annual review process, the CGNC retains an independent third party to administer surveys reviewing and assessing (a) the performance of the Board as a whole, including a review of the performance of the Board's Chair; (b) the performance of each of Company's two committees, including a review of the performance of the committee Chairs; and (c) the performance of each individual Director by way of a peer-to-peer review. The CGNC also considers input from Directors where appropriate, the attendance record of Directors at meetings of the Board and any committee thereof, the charters of the Board and its committees, applicable position descriptions, the competencies and skills that each Director is expected to, and does in fact, bring to the Board and each committee on which he or she serves, and the evolving needs of the Company. The review and assessment conducted by the independent third party is analysed by the Chair of the CGNC and the CGNC assesses the performance of the Board and the Committees, the adequacy of information given to Directors and the strategic direction and processes of the Board and its Committees. The Board as a group discusses the Director peer-to-peer survey results in order to identify and address areas requiring attention or improvement. Any concerns are discussed confidentially by the Chair of the CGNC with each Director as needed with respect to the result of the assessment of his or her individual

performance (with a view to ensuring that the relevant Director takes appropriate action to improve their contribution to the Board). The results of the review indicated that in all three areas of review the Directors were performing well. The CGNC also assesses the performance of the Chairman of the Board, as well as the CEO.

Director Qualifications

In developing a strategy for Board composition, the CGNC uses the Board Skills Matrix to identify and evaluate Director capabilities and experience around specific targeted competencies that the Board would ideally possess. At Sienna, the key focus areas are as follows. While an individual Director may have one or more of the skills, the objective is to ensure that all required skills are held collectively.

- Real Estate/Development Experience
- Seniors Housing Knowledge (experience gained from working in the sector or having significant business dealings with organizations in the sector)
- Senior Executive Experience (broad business experience as a CEO or director of a public company or other large organization)
- Financial and Accounting Literacy
- Corporate Governance (experience in best practices in public company corporate governance structures, policies and processes)
- Risk Management (ability to identify and understand key risks to the organization, understanding of risk assessments and systems and mitigation measures)
- Legal and Regulatory (well versed in capital market activities, continuous disclosure, regulatory requirements and corporate law).

Orientation and Continuing Education

The Company has an orientation and education program in place for all new appointees to the Board. The Company's orientation program is intended to familiarize new Directors with Sienna's legal, operational and regulatory landscape in the jurisdictions in which the Company operates, as well as brief new Directors with information on the role of the Board, its committees and the contribution individual Directors are expected to make. New Directors meet separately with members of the executive team to discuss the foregoing, as well as the nature and operation of the Company's business. All new Directors receive an Orientation Manual containing reference information and a record of relevant Company materials, including: Board and Committee mandates, copies of the Company's key policies that are relevant to the Board, and copies of the Company's recent significant public disclosure documents. The orientation also includes a thorough review of key issues on the forefront of the Company's agenda, a discussion of corporate strategy and plans, a snapshot of current performance and familiarization with Board process, information sources and Company properties.

The Company believes that it is important for its Board members be knowledgeable of the properties Sienna owns and manages. The Company's executive team encourages and assists Board members to tour properties individually and as a group. In late 2017, the Board conducted a property tour and meeting in British Columbia, during which time the Board toured the Company's properties, including those properties acquired the previous year pursuant to a significant portfolio acquisition. This provided the Board with an opportunity to see first-hand and discuss the business in British Columbia, and to further discuss local market conditions, experience the culture of the various Sienna communities in British Columbia and speak with residents. In 2018, following the Company's transformative acquisition of ten high-quality private-pay independent supportive living and assisted living retirement residences in Ontario, the Board toured a number of the properties with management to further their knowledge. Additionally, the Board toured the Company's first property under redevelopment in furtherance of discussions on the Company's development process and strategy. The Board also regularly participates in educational sessions with management and with outside advisors (including financial advisors, auditors, insurers, legal experts and other consultants). These external experts are also regularly invited to Board meetings for continuing education on topics relevant to the Company and the industry in which the Company

operates. Management encourages Directors to attend conferences and seminars as they deem appropriate to further their knowledge and ability to carry out their responsibilities to the Company.

The table below illustrates the formal continuing education provided to each Board member in 2018:

	Ontario New Property Visits	Development Property Visit	Presentation on Market Update	Presentation on Compensation/ Governance Trends	Presentation on Corporate Social Responsibility	Capital Markets and Real Estate Update	Cyber Security
DINO CHIESA	✓	✓	✓	✓	✓	✓	✓
LOIS CORMACK	✓	✓	✓	✓	✓	✓	✓
JANET GRAHAM	✓	✓	✓	✓	✓	✓	✓
JACK MACDONALD	✓	✓	✓	✓	✓	✓	✓
PAULA JOURDAIN COLEMAN	✓	✓	✓	✓	✓	✓	✓
STEPHEN SENDER	✓	✓	✓	✓	✓	✓	✓

The Company believes that Director education is an ongoing process and management ensures that Board and Committee meetings provide for open and abundant information delivery and exchange. Prior to each Board meeting, the Board receives a comprehensive package of information, which includes information to address formal agenda items, as well as information received from external consultants and financial advisors on relevant topics for Board discussion or for general information purposes. At each Board meeting, Directors typically receive a comprehensive management report for the completed quarter, which sets out the financial scorecard, business segment updates, report on progress on the operating plan, quality of care and service results, resident satisfaction update, employee engagement update and People (human resources) metrics, capital expenditure update and market summary. These detailed presentations not only summarize the quarter, but generally provide industry updates and discuss new issues, developments and risks relevant to the business and operations (and management’s mitigation strategy with respect to such risks). Executives that lead the relevant business area present on the information and are available to the Board for questions and further discussion. Directors also receive reports on the work of Board committees following committee meetings, and management provides updates between Board meetings on matters that affect the Company’s business.

EXPLANATION OF NON-GAAP MEASURES

The Company uses certain supplemental measures of key performance that are not measures recognized under International Financing Reporting Standards (IFRS) and do not have standardized meanings prescribed by IFRS and therefore are not comparable to similar measures presented by other companies. These performance measures include net operating income (“NOI”), funds from operations (“FFO”), and operating funds from operations (“OFFO”).

OFFO is FFO adjusted for non-recurring items, and presents finance charges on a cash interest basis. FFO is defined as NOI less certain adjustments including finance charges and current income taxes. FFO is a recognized earnings measure that is widely used by public real estate entities, particularly by those entities that own and/or operate income-producing properties. The Company presents FFO in accordance with the Real Property Association of Canada (“REALpac”) White Paper on Funds From Operations for IFRS (Source: White Paper on Funds From Operations & Adjusted Funds From Operations for IFRS — February 2018). The IFRS measure most directly comparable to FFO and OFFO is “net income”.

Management of the Company is of the view that OFFO is a relevant measure of the operating performance of the Company. For the full reconciliation of FFO and OFFO to net income, please refer to the Company’s MD&A for the year ended December 31, 2018.

APPENDIX A

Mandate of the
Board of Directors

302 Town Centre Blvd., Suite 300
Markham, ON L3R OE8

The board of directors (the “**Board**”) of Sienna Senior Living Inc. (the “**Company**”) has developed this Mandate to help it fulfill its responsibility to shareholders to oversee the management of the business and affairs of the Company in accordance with the bylaws of the Company, applicable law, and stock exchange rules and requirements. This Mandate has been adopted by the Board to help ensure that it will have the necessary framework to review and evaluate the Company’s business operations and to make decisions and arrive at conclusions that are independent of the Company’s management. The Mandate is also intended to align the interests of directors and management of the Company with those of the Company’s shareholders.

The Company’s Compensation, Governance and Nominating Committee (the “**CGNC**”) will review and assess this Mandate at least annually and suggest to the Board such changes, as the CGNC deems appropriate. As part of its annual review, the CGNC will review the board practices of other well-managed entities, as well as practices that are the focus of commentators on corporate governance. The Board is strongly committed to sound governance practices.

ROLE OF THE BOARD

The role of the Board is to provide guidance and strategic oversight to management, both collectively and individually, in order to realize the Company’s business objectives and to maximize shareholder value. The Board acts as an advisor and counselor to senior management and oversees its management of the business and affairs of the Company.

In fulfilling its responsibilities, the Board is responsible for, among other things:

- (i) overseeing the Company’s strategy and achievement of business objectives;
- (ii) overseeing the Company’s continuous disclosure and financial reporting;
- (iii) satisfying itself of the adequacy of the Company’s information systems;
- (iv) reviewing and monitoring the Company’s disclosure controls and internal controls and procedures for financial reporting;
- (v) overseeing compliance with the Company’s bylaws and with applicable law;
- (vi) overseeing the Company’s enterprise risk management framework;
- (vii) determining the amount and timing of distributions to shareholders;
- (viii) developing the Company’s approach to corporate governance;
- (ix) approving major decisions regarding the Company and its business which are outside of the ordinary course of business, subject to the delegation of approval authority to management;
- (x) CEO selection, evaluation, compensation and succession planning; and
- (xi) overseeing compliance with the Company’s Code of Business Conduct and Ethics (the “**Code**”) to satisfy itself as to the integrity of the CEO and other members of senior management and to ensure that the Company maintains a culture of integrity and accountability.

ROLE OF MANAGEMENT

Management is responsible for developing and implementing the Company’s strategy, safeguarding the Company’s assets and for delivering the primary benefits of the Company’s business activities to shareholders.

When management performance is inadequate, the Board has the responsibility to bring about appropriate change.

Management of the Company is under the direction and the control of the Chief Executive Officer of the Company (the “**Chief Executive Officer**”). Senior management, through the Chief Executive Officer, reports to and is accountable to the Board.

Management is responsible for the preparation of a business plan, which includes an annual operating and capital budget together with an outline of strategic initiatives, for review and approval of the Board. The Board’s approval of the business plan provides a mandate for management to conduct the business and affairs of the Company. Material deviations from the plan are reported to and considered by the Board.

COMPOSITION, ORIENTATION AND COMPENSATION OF THE BOARD

Director Independence

At least two-thirds of the members of the Board will be Independent Directors (within the meaning of NI 58-201). At least annually, the Board will review the independence of each director and directors will be asked to self-assess their independence status through a questionnaire.

Selection of Directors

Based on the recommendation of the CGNC, the Board is responsible for selecting nominees for election as directors and recommending them for election by the shareholders.

Director Skills Matrix

The Board, through the CGNC, will utilize a board skills matrix as a tool to facilitate the screening and selection of Board nominees.

Directors who experience a significant change in their personal circumstances, including a change in their principal occupation or time commitments, are expected to advise the CGNC, who will request a further review by the Board of the director’s ability to continue as a director of the Board.

Orientation and Continuing Education

An orientation process is mandated for all new directors. This process includes comprehensive background briefings by the Chair of the Board, the Chief Executive Officer, the Chief Financial Officer of the Company (the “**Chief Financial Officer**”), and other officers or employees of the Company designated by the Chief Executive Officer. This process includes obtaining an understanding of the role of the Board and its committees as well as each director’s individual role and responsibility. The coordination of the orientation program is the responsibility of the CGNC and the Company’s Chief Executive Officer.

Directors are also encouraged to participate in continuing education programs.

Director Compensation

The Board is responsible, on the recommendation of the CGNC, for approving a compensation model that appropriately compensates directors for service on the Board and on Board committees.

DIRECTOR TENURE, ROTATION AND RETIREMENT

A director who is an officer of the Company (other than a person who served as an officer in an interim capacity) is required to resign from the Board at the time he or she retires or otherwise ceases to be an active employee of the Company. Consistent with this policy, the Chief Executive Officer (other than a person who served as an interim Chief Executive Officer) is required to resign as a director at the time he or she ceases to be the Chief Executive Officer.

The Board does not consider it necessary to have a mandatory retirement policy for directors. Rather, the Board is of the view that directors who have served on the Board for an extended period of time are able to provide

valuable insight and perspective into the operations and future of the Company based on their experience with and understanding of the Company's history, policies and objectives. At the same time, the Board also considers it important that the Company receive the benefit of fresh approaches, new ideas and alternative viewpoints from new directors from time to time. On an annual basis, the Board will carefully review director rotation.

SERVICE ON OTHER PUBLIC ENTITY BOARDS AND BOARD COMMITTEES

Directors are encouraged to limit the number of other public entity boards and committees of those boards on which they serve, taking into account potential board and committee attendance, participation and effectiveness on those boards and committees. Directors should also advise, in writing, the Chair of the Board and the Chair of the CGNC prior to accepting an invitation to serve on another board or board committee.

DIRECTOR EQUITY OWNERSHIP

Directors are required to hold, within two years of becoming a director, common shares of the Company ("Shares") and/or Deferred Share Units ("DSUs") under the Company's Deferred Share Unit Plan, equal in value to five times the annual retainer received by such director. Any investment in Shares above this amount may be made on a voluntary basis. The equity ownership of each director will be calculated as at March 31st (approximately) each year based on the greater of cost of the Share purchases or market value. The CGNC is responsible for reviewing director equity ownership on an annual basis and making recommendations to the Board in respect thereof.

BOARD AND COMMITTEE MATTERS

Board Committees

The Board has established an Audit Committee and a Compensation, Governance and Nominating Committee and may establish such further committees as it deems necessary or desirable from time to time. The Chair of the Board together with the Chief Executive Officer will be responsible for recommending to the CGNC members and Chairs for appointment to each committee. Members will meet the criteria for membership in such committees as determined by the Board and as otherwise required by applicable law, rules and regulations, with consideration given to the preferences of individual directors. The CGNC is responsible for recommending to the Board the proposed members and Chair of each committee. The Board may, to the extent it considers desirable, give consideration to rotating committee members periodically to the extent practicable.

Board Committee Charters

Each Board committee will have its own charter. Subject to applicable law, rules and regulations, the charters will set forth the purposes, membership, powers, authority, duties and responsibilities of, and procedural matters relating to meetings of, the Board committees. The Audit Committee has the responsibility to at least annually, review its charter and recommend it for approval by the CGNC. The CGNC has the responsibility to at least annually review its charter and recommend it for approval by the Board.

RESPONSIBILITIES AND FUNCTIONING OF THE BOARD

Company Strategy

The Board is responsible for the oversight of the Company's strategy. At least annually, the Board will discuss the strategic objectives of the Company with management. This discussion will consider, among other things, the opportunities and risks pertaining to the Company. These discussions may be held during regularly scheduled Board meetings. Proposed changes to Company strategy are expected to be brought to the attention of the Board by senior management in a timely manner for the Board's consideration and approval, if appropriate. The Board will monitor the Company's progress in meeting its strategic objectives.

Risk Management

The Board is responsible for satisfying itself that appropriate policies and procedures are in place to identify and manage the risks applicable to the Company. At least annually, the Board, or its committees, will meet with

management regarding the risks applicable to the Company. Significant Company risk management decisions are expected to be brought to the attention of the Board by senior management in a timely manner for the Board's consideration. These decisions will be discussed and approved by the full Board. The Board, or its committees, will monitor the Company's progress in meeting its risk management objectives.

Approach to Governance

The Board is responsible for developing the Company's overall approach to governance. This responsibility may be delegated to the CGNC.

Operating Plans and Financial Goals

The Board will review and approve the Company's annual operating plans and specific financial goals, and monitor performance throughout each year.

Selection of the Chair of the Board

The Board will select the Chair of the Board annually from among its members. The Chair of the Board will be an Independent Director within the meaning of NI 58-201. In the event that at any time the Chair of the Board is not an Independent Director, a Lead Director will be appointed from among the independent directors. The Lead Director will act as an effective leader of the Board in respect of matters required to be considered by the Independent Directors, and will ensure that the Board's agenda will enable it to successfully carry out its duties.

If the current Chair of the Board vacates his or her position for any reason prior to the end of their term, then the Chair of the CGNC will immediately assume the role of Chair of the Board until another Chair is appointed.

Succession Planning — Board

The CGNC will maintain a Board succession plan that is responsive to the Company's needs and the interests of its shareholders and will periodically report to the Board on succession planning, including in the event of an emergency.

Succession Planning — Chief Executive Officer and Chief Financial Officer

The Board, with the assistance of the CGNC and with the assistance of the confidential recommendations and evaluations of potential successors by the Chief Executive Officer, will identify, evaluate, appoint and provide training to successors to the Chief Executive Officer and the Chief Financial Officer.

Annual Assessment of Performance

The Board will conduct an annual self-evaluation to determine whether it, its committees and its committee members are functioning effectively. The CGNC will solicit comments from all directors and report annually to the Board with an assessment of the Board's performance, the performance of Board committees and its directors. This assessment will be discussed with the full Board annually. The assessment will specifically focus on areas in which the functioning of the Board or Board committees could be improved.

Evaluation of the Chief Executive Officer and Other Named Executive Officers

The Board will evaluate and approve the compensation structure of the Chief Executive Officer and approve the compensation structure of other Named Executive Officers (as defined in NI 51-102) of the Company, all based on the recommendations of the CGNC.

Meetings of Independent Directors

To promote open discussion among the Company's independent directors, at each regularly scheduled meeting of the directors and at such other time as any independent director may request, the independent directors will meet without management or any other non-independent directors present. The Chair of the Board (or any lead director that has been appointed) will preside at these separate meetings.

Loyalty and Ethics

In their roles as directors, all directors owe a duty of loyalty to the Company. This duty mandates that the best interests of the Company take precedence over any other interest possessed by a director. Directors are expected to conduct themselves in accordance with the Code.

Frequency of Board Meetings

The Board will hold in person meetings at least quarterly. In addition, the Board may hold additional meetings from time to time as determined by the needs of the business of the Company. The Company's Secretary will be responsible for the preparation of minutes of each Board meeting.

Director Attendance

Each director is expected to attend all regular meetings of the Board in person and all meetings of Board committees of which the director is a member. Attendance by telephone or video conference may be used to facilitate attendance. In addition, each director is encouraged to attend each annual meeting of shareholders of the Company. The Board recognizes that occasional meetings may need to be scheduled on short notice when the participation of a director is not possible and that conflicts may arise from time to time that will prevent a director from attending a regularly scheduled meeting. However, the Board expects that each director will make every possible effort to keep such absences to a minimum. Poor attendance by a director (an absence from more than one regularly scheduled Board meeting per year) will be considered by the CGNC in deciding whether to recommend the director to the Board for re-election as a director.

Each director is expected to be sufficiently knowledgeable of the business of the Company, including its financial statements, and the risks it faces, to ensure his or her active and effective participation in the deliberations of the Board and each committee on which he or she serves.

Selection of Agenda Items for Board Meetings

The Chair of the Board, with the assistance of the Chief Executive Officer, will establish the agenda for each Board meeting. Each director may suggest to the Chair of the Board the inclusion of additional items on the agenda. At any regularly scheduled Board meeting, each director may raise subjects for discussion that are not on the meeting's formal agenda.

Information that is important to the Board's understanding of the business of the Company will be distributed to the Board sufficiently in advance of each Board meeting to permit the directors adequate time to consider the material and ask questions of management, as appropriate. Directors are expected to review the information in advance of the meeting so that they can knowledgeably participate in the meeting. All such information will be maintained in conformity with the Company's policies on confidentiality.

Attendance of Non-Directors at Board Meetings

The Chief Executive Officer, the Chief Financial Officer and the Secretary of the Company are expected to attend Board meetings. The Chief Executive Officer, at his or her discretion, may invite other employees, advisors or consultants to attend Board meetings for the purposes of making presentations. The Chair of the Board or the Chief Executive Officer, at his or her discretion, may invite employees of the Company, consultants, advisors or others, as appropriate, to attend Board meetings.

Access to Management, Outside Counsel and Auditors

Board members will have complete access to the Chief Executive Officer, the Chief Financial Officer and the Company's outside counsel and auditors. It is the obligation of each Board member to use judgment to ensure that such contact is not distracting to the business operations of the Company and that, except as may be inappropriate, the Chief Executive Officer is appropriately advised of all such contacts.

Power to Retain Advisors

The Board and each Board committee have the power at the Company's expense, to hire legal, financial or other advisors, as they may deem necessary, without consulting or obtaining the approval of any officer of the Company in advance.

Board's Interaction with Investors, the Press, and Other Company Stakeholders

The Board believes that management should speak for the Company. Individual directors may, from time to time, receive requests for comment from various constituencies who are involved with the Company. Any such request should be forwarded to the Chief Executive Officer or his or her designee. Generally, communications from shareholders and the investment community will be directed to the Chief Financial Officer, who will coordinate an appropriate response depending on the nature of the communication.

If comments from the Board or any of its members are appropriate, they should come only following consultation with the Chief Executive Officer and other management, as appropriate.

DISCLOSURE POLICY AND CODE

The Board is responsible for ensuring that the Company has established and maintains a Disclosure and Insider Trading Policy and the Code. The purpose is to ensure the Company maintains a high level of trust and integrity in accordance with the highest ethical standards.

2.1 Issuance and Evidence of Holdings of Rights

One Right in respect of each Common Share outstanding at the Record Time and each Common Share which may be issued after the Record Time and prior to the earlier of the Separation Time and the Expiration Time shall be issued in accordance with the terms hereof. Notwithstanding the foregoing, one Right in respect of each Common Share issued after the Record Time upon the exercise of rights pursuant to Convertible Securities outstanding at the ~~Record Time~~ Stock Acquisition Date may be issued after the Separation Time but prior to the Expiration Time.

Certificates representing Common Shares which are issued after the Record Time but prior to the earlier of the Separation Time and the Expiration Time shall also evidence one Right for each Common Share represented thereby and shall have impressed on, printed on, written on or otherwise affixed to them the following legend:

“Until the Separation Time (as defined in the Shareholder Rights Agreement referred to below), this certificate also evidences and entitles the holder hereof to certain Rights described in a Shareholder Rights Plan Agreement dated as of March 23, 2010, as may be amended or supplemented from time to time (the “**Shareholder Rights Agreement**”) between Sienna Senior Living Inc. (the “**Company**”) and Computershare Trust Company of Canada (the “**Rights Agent**”), the terms of which are hereby incorporated herein by reference and a copy of which is on file at the principal executive offices of the Company. Under certain circumstances set out in the Shareholder Rights Agreement, the rights may expire, may be amended or redeemed, may become null and void or may be evidenced by separate certificates and no longer evidenced by this certificate. The Company will mail or arrange for the mailing of a copy of the Shareholder Rights Agreement to the holder of this certificate without charge as soon as practicable, after the receipt of a written request therefor.”

Certificates representing Common Shares that are issued and outstanding at the Record Time shall evidence one Right for each Common Share represented thereby, notwithstanding the absence of the foregoing legend, until the earlier of the Separation Time and the Expiration Time.

Registered holders of Common Shares who have not received a share certificate and are entitled to do so on the earlier of the Separation Time and the Expiration Time shall be entitled to Rights as if such certificates had been issued and such Rights shall for all purposes hereof be evidenced by the corresponding entries on the Company’s securities register for shares.

2.2 Exercise of Rights; Detachment of Rights

- (a) Subject to adjustment as herein set forth, each Right will entitle the holder thereof, from and after the Separation Time and prior to the Expiration Time, to purchase one Common Share for the Exercise Price (which Exercise Price and number of Common Shares are subject to adjustment as set forth below). Notwithstanding any other provision of this Agreement, any Rights held by the Company or any of its Subsidiaries shall be void.

- (b) Until the Separation Time:
 - (i) the Rights shall not be exercisable and no Right may be exercised; and
 - (ii) each Right will be evidenced by the certificate for the associated Common Share registered in the name of the holder thereof (which certificate shall also be deemed to represent a Rights Certificate) and will be transferable only together with, and will be transferred by a transfer of, such associated Common Share.
- (c) From and after the Separation Time and prior to the Expiration Time:
 - (i) the Rights shall be exercisable; and
 - (ii) the registration and transfer of Rights shall be separate from and independent of the Common Shares.

Promptly following the Separation Time, the Company will prepare and the Rights Agent will mail to each holder of record of Common Shares as of the Separation Time (other than an Acquiring Person, and, in respect of any Rights Beneficially Owned by such Acquiring Person which are not held of record by such Acquiring Person, the holder of record of such Rights (a “**Nominee**”)) at such holder’s address as shown by the records of the Company (the Company hereby agreeing to furnish copies of such records to the Rights Agent for this purpose):

- (x) a Rights Certificate appropriately completed, representing the number of Rights held by such holder at the Separation Time and having such marks of identification or designation and such legends, summaries or endorsements printed thereon as the Company may deem appropriate and as are not inconsistent with the provisions of this Agreement, or as may be required to comply with any law, rule or regulation or with any rule or regulation of any self-regulatory organization, stock exchange or quotation system on which the Rights may from time to time be listed or traded, or to conform to usage; and
- (y) a disclosure statement describing the Rights,
provided that a Nominee shall be sent the materials provided for in (x) and (y) in respect of all Common Shares held of record by it which are not Beneficially Owned by an Acquiring Person.
- (d) Rights may be exercised, in whole or in part, on any Business Day after the Separation Time and prior to the Expiration Time by submitting to the Rights Agent:
 - (i) the Rights Certificate evidencing such Rights;
 - (ii) an election to exercise such Rights (an “**Election to Exercise**”) substantially in the form attached to the Rights Certificate appropriately completed and executed by the holder or his executors or administrators or other personal representatives or his or their legal attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Rights Agent; and
 - (iii) payment by certified cheque, banker’s draft or money order payable to the order of the Company, of a sum equal to the Exercise Price multiplied by the number of Rights being exercised and a sum sufficient to cover any transfer tax or charge which may be payable in respect of any transfer involved in the transfer or delivery of Rights Certificates or the issuance or delivery of certificates for Common Shares in a name other than that of the holder of the Rights being exercised.
- (e) Upon receipt of a Rights Certificate, together with a duly completed Election to Exercise executed in accordance with Clause 2.2(d)(ii), which does not indicate that such Right is null and void as provided by Subsection 3.1(b), and payment as set forth in Clause 2.2(d)(iii), the Rights Agent (unless otherwise instructed by the Company in the event that the Company is of the opinion that the Rights cannot be exercised in accordance with this Agreement) will thereupon promptly:
 - (i) requisition from the transfer agent for the Common Shares certificates representing the number of such Common Shares to be purchased (the Company hereby irrevocably agreeing to authorize its transfer agent to comply with all such requisitions);

- (ii) when appropriate, requisition from the Company the amount of cash to be paid in lieu of issuing fractional Common Shares;
 - (iii) after receipt of the certificates referred to in Clause 2.2(e)(i), deliver the same to or upon the order of the registered holder of such Rights Certificates, registered in such name or names as may be designated by such holder;
 - (iv) after receipt of the certificates referred to in Clause 2.2(e)(i), deliver any cash referred to in Clause 2.2(e)(ii) to or to the order of the registered holder of such Rights Certificate; and
 - (v) tender to the Company all payments received on exercise of the Rights.
- (f) In case the holder of any Rights exercises less than all the Rights evidenced by such holder's Rights Certificate, a new Rights Certificate evidencing the Rights remaining unexercised (subject to the provisions of Subsection 5.6(a)) will be issued by the Rights Agent to such holder or to such holder's duly authorized assigns.
- (g) The Company covenants and agrees that it will:
- (i) take all such action as may be necessary and within its power to ensure that all Common Shares delivered upon exercise of Rights shall, at the time of delivery of the certificates for such Common Shares (subject to payment of the Exercise Price), be duly and validly authorized, executed, issued and delivered and fully paid and non-assessable;
 - (ii) take all such actions as may be necessary and within its power to comply with the requirements of its constating documents, the Securities Act and the securities laws or comparable legislation of each of the provinces and territories of Canada and any other applicable law, rule or regulation, in connection with the issuance and delivery of the Rights Certificates and the issuance of any Common Shares upon exercise of Rights;
 - (iii) use reasonable efforts to cause all Common Shares issued upon exercise of Rights to be listed on the stock exchanges on which such Common Shares were traded immediately prior to the Stock Acquisition Date;
 - (iv) cause to be reserved and kept available out of the authorized and unissued Common Shares, the number of Common Shares that, as provided in this Agreement, will from time to time be sufficient to permit the exercise in full of all outstanding Rights;
 - (v) pay when due and payable, if applicable, any and all federal, provincial and municipal transfer taxes and charges (not including any income or capital taxes of the holder or exercising holder or any liability of the Company to withhold tax) which may be payable in respect of the original issuance or delivery of the Rights Certificates, or certificates for Common Shares to be issued upon exercise of any Rights, provided that the Company shall not be required to pay any transfer tax or charge which may be payable in respect of any transfer involved in the transfer or delivery of Rights Certificates or the issuance or delivery of certificates for Common Shares in a name other than that of the holder of the Rights being transferred or exercised; and
 - (vi) after the Separation Time, except as permitted by Section 5.1, not take (or permit any Subsidiary to take) any action if at the time such action is taken it is reasonably foreseeable that such action will diminish substantially or otherwise eliminate the benefits intended to be afforded by the Rights.

2.3 Adjustments to Exercise Price; Number of Rights

The Exercise Price, the number and kind of securities subject to purchase upon exercise of each Right and the number of Rights outstanding are subject to adjustment from time to time as provided in this Section 2.3.

- (a) In the event the Company at any time after the Separation Time and prior to the Expiration Time:
 - (i) declares or pays a dividend on Common Shares payable in Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares or other capital stock)

other than pursuant to any optional dividend reinvestment plan or a dividend payable in Voting Securities in lieu of a regular periodic cash dividend;

- (ii) subdivides or changes the then outstanding Common Shares into a greater number of Common Shares;
- (iii) consolidates or changes the then outstanding Common Shares into a smaller number of Common Shares; or
- (iv) otherwise issues any Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares) in respect of, in lieu of or in exchange for existing Common Shares in a reclassification, amalgamation, merger, statutory arrangement, or consolidation,

the Exercise Price, the number of Rights outstanding and the securities purchasable upon exercise of the Rights shall be adjusted as of the record or effective date as follows:

- (x) the Exercise Price in effect after such adjustment will be equal to the Exercise Price in effect immediately prior to such adjustment divided by the number of Common Shares (the “**Expansion Factor**”) that a holder of one Common Share immediately prior to such distribution, subdivision, change, consolidation or issuance would hold thereafter as a result thereof (assuming the exercise of any such exchange, conversion or acquisition rights); and
- (y) each Right held prior to such adjustment shall become that number of Rights equal to the Expansion Factor and the adjusted number of Rights will be deemed to be allocated among the Common Shares with respect to which the original Rights were associated (if they remain outstanding) and the shares issued in respect of such distribution, subdivision, change, consolidation or issuance, so that each such Common Share will have exactly one Right associated with it.

To the extent that any such exchange, conversion or acquisition rights are not exercised prior to the expiration thereof, the Exercise Price shall be readjusted to the Exercise Price which would be in effect, based on the number of Common Shares actually issued on the exercise of such rights.

In the event the Company at any time after the Record Time and prior to the Separation Time issues any Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares), each such Common Share shall automatically have one new Right associated with it, which Right shall be evidenced by the certificate representing such associated Common Share.

- (b) If, after the Separation Time and prior to the Expiration Time, the Company shall issue any equity securities other than Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire shares of any such capital stock) in a transaction of a type described in Clause 2.3(a)(i) or (iv), the shares of such capital stock shall be treated herein as nearly equivalent to Common Shares to the extent practicable and appropriate under the circumstances, as determined by the Board of Directors, and the shares purchasable upon exercise of Rights shall be adjusted as necessary such that the shares purchasable upon exercise of each Right after such adjustment will be the shares that a holder of the shares purchasable upon exercise of one Right immediately prior to such issuance would hold thereafter as a result of such issuance. Notwithstanding Section 5.5, the Company and the Rights Agent are authorized and agree to amend this Agreement in order to give effect to the foregoing.
- (c) In the event that at any time after the Record Time and prior to the Expiration Time there shall occur:
 - (i) a reclassification or redesignation of the Common Shares or any change of the Common Shares into other shares (other than as the result of an event described in Subsection 2.3(a));
 - (ii) a consolidation, merger or amalgamation of the Company with or into another body corporate (other than a consolidation, merger or amalgamation which does not result in a reclassification of the Common Shares or a change of the Common Shares into other shares); or
 - (iii) the transfer of all or substantially all of the assets of the Company to another body corporate;

a holder of a Right shall thereafter be entitled to receive and shall accept upon exercise of such Right, in lieu of the number of Common Shares to which such holder was ~~theretofor~~theretofore entitled to acquire upon such exercise, the kind and amount of shares and/or other securities or property which such holder

would have been entitled to receive as a result of such occurrence if, on the effective date thereof, such holder had been the holder of the number of Common Shares to which such holder was then entitled upon exercise of such Right. The Company shall take all necessary steps so that holders of Rights shall thereafter be entitled to acquire such shares and/or other securities or property, subject to adjustment thereafter in accordance with provisions the same, as nearly as may be possible, as those contained in this Section 2.3.

- (d) Notwithstanding anything herein to the contrary, no adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least ~~one percent~~ 1% in the Exercise Price; provided, however, that any adjustments which by reason of this Subsection 2.3(d) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 2.3 shall be made to the nearest cent or to the nearest ten-thousandth of a share. Notwithstanding the first sentence of this Subsection 2.3(d), any adjustment required by this Section 2.3 shall be made no later than the earlier of:
- (i) three years from the date of the transaction which gives rise to such adjustment; and
 - (ii) the Expiration Time.
- (e) ~~irrespective~~ Irrespective of any adjustment or change in the Exercise Price or the number of Common Shares issuable upon the exercise of the Rights, the Rights Certificates theretofore and thereafter issued may continue to express the Exercise Price per Common Share and the number of Common Shares which were expressed in the initial Rights Certificates issued hereunder.
- (f) In any case in which this Section 2.3 shall require that an adjustment in the Exercise Price be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event the issuance to the holder of any Right exercised after such record date the number of Common Shares and other securities of the Company, if any, issuable upon such exercise over and above the number of Common Shares and other securities of the Company, if any, issuable upon such exercise on the basis of the Exercise Price in effect prior to such adjustment; provided, however, that the Company shall deliver to such holder an appropriate instrument evidencing such holder's right to receive such additional shares (fractional or otherwise) or other securities upon the occurrence of the event requiring such adjustment.
- (g) Notwithstanding anything contained in this Section 2.3 to the contrary, the Company shall be entitled to make such reductions in the Exercise Price, in addition to those adjustments expressly required by this Section 2.3, as and to the extent that in their good faith judgment the Board of Directors shall determine to be advisable, in order that any:
- (i) consolidation or subdivision of Common Shares;
 - (ii) issuance (wholly or in part for cash) of Common Shares or securities that by their terms are convertible into or exchangeable for Common Shares;
 - (iii) stock distributions; or
 - (iv) issuance of rights, options or warrants, hereafter made by the Company to holders of its Common Shares,
- shall not be taxable to such shareholders.
- (h) Whenever an adjustment to the Exercise Price or a change in the securities purchasable upon exercise of the Rights is made pursuant to this Section 2.3, the Company shall promptly and in any event, where such change or adjustment occurs prior to the Separation Time, not later than the Separation Time:
- (i) file with the Rights Agent and with each transfer agent for the Common Shares a certificate specifying the particulars of such adjustment or change; and
 - (ii) cause notice of the particulars of such adjustment or change to be given to the holders of the Rights.
- Failure to file such certificate or to cause such notice to be given as aforesaid, or any defect therein, shall not affect the validity of such adjustment or change.

- (i) The Company covenants and agrees that, after the Separation Time, it will not, except as permitted by the provisions hereof, take (or permit any Subsidiary of the Company to take) any action if at the time such action is taken it is reasonably foreseeable that such action will diminish substantially or otherwise eliminate the benefits intended to be afforded by the Rights.

2.4 Date on Which Exercise Is Effective

Each Person in whose name any certificate for Common Shares or other securities, if applicable, is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of the Common Shares or other securities, if applicable, represented thereon, and such certificate shall be dated the date upon which the Rights Certificate evidencing such Rights was duly surrendered in accordance with Subsection 2.2(d) (together with a duly completed Election to Exercise) and payment of the Exercise Price for such Rights (and any applicable transfer taxes and other governmental charges payable by the exercising holder hereunder) was made; provided, however, that if the date of such surrender and payment is a date upon which the Common Share transfer books of the Company are closed, such Person shall be deemed to have become the record holder of such shares on, and such certificate shall be dated, the next succeeding Business Day on which the Common Share transfer books of the Company are open.

2.5 Execution, Authentication, Delivery and Dating of Rights Certificates

- (a) The Rights Certificates shall be executed on behalf of the Company by its President, Chief Executive Officer or Vice-President, Chief Financial Officer under the corporate seal of the Company reproduced thereon. The signature of any of these officers on the Rights Certificates may be manual or facsimile. Rights Certificates bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices either before or after the countersignature and delivery of such Rights Certificates.
- (b) Promptly after the Company learns of the Separation Time, the Company will notify the Rights Agent of such Separation Time and will deliver Rights Certificates executed by the Company to the Rights Agent for countersignature, and the Rights Agent shall manually or by facsimile signature countersign (in a manner satisfactory to the Company) and send such Rights Certificates to the holders of the Rights pursuant to Subsection 2.2(c) hereof. No Rights Certificate shall be valid for any purpose until countersigned by the Rights Agent as aforesaid.
- (c) Each Rights Certificate shall be dated the date of countersignature thereof.

2.6 Registration, Transfer and Exchange

- (a) After the Separation Time, the Company will cause to be kept a register (the “**Rights Register**”) in which, subject to such reasonable regulations as it may prescribe, the Company will provide for the registration and transfer of Rights. The Rights Agent is hereby appointed registrar for the Rights (the “**Rights Registrar**”) for the purpose of maintaining the Rights Register for the Company and registering Rights and transfers of Rights as herein provided and the Rights Agent hereby accepts such appointment. In the event that the Rights Agent shall cease to be the Rights Registrar, the Rights Agent will have the right to examine the Rights Register at all reasonable times.

After the Separation Time and prior to the Expiration Time, upon surrender for registration of transfer or exchange of any Rights Certificate, and subject to the provisions of Subsection 2.6(c), the Company shall execute, and the Rights Agent shall countersign and deliver, in the name of the holder or the designated transferee or transferees, as required pursuant to the holder’s instructions, one or more new Rights Certificates evidencing the same aggregate number of Rights as did the Rights Certificates so surrendered.

- (b) All Rights issued upon any registration of transfer or exchange of Rights Certificates shall be the valid obligations of the Company, and such Rights shall be entitled to the same benefits under this Agreement as the Rights surrendered upon such registration of transfer or exchange.

- (c) Every Rights Certificate surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company or the Rights Agent, as the case may be, duly executed by the holder thereof or such holder's attorney duly authorized in writing. As a condition to the issuance of any new Rights Certificate under this Section 2.6, the Company or the Rights Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the reasonable fees and expenses of the Rights Agent) connected therewith.

2.7 Mutilated, Destroyed, Lost and Stolen Rights Certificates

- (a) If any mutilated Rights Certificate is surrendered to the Rights Agent prior to the Expiration Time, the Company shall execute and the Rights Agent shall countersign and deliver in exchange therefor a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so surrendered.
- (b) If there shall be delivered to the Company and the Rights Agent prior to the Expiration Time:
 - (i) evidence to their reasonable satisfaction of the destruction, loss or theft of any Rights Certificate; and
 - (ii) such security or indemnity as may be reasonably required by each of them in their sole discretion to save each of them and any of their agents harmless;

then, in the absence of notice to the Company or the Rights Agent that such Rights Certificate has been acquired by a *bona fide* purchaser, the Company shall execute and upon the Company's request the Rights Agent shall countersign and deliver, in lieu of any such destroyed, lost or stolen Rights Certificate, a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so destroyed, lost or stolen.

- (c) As a condition to the issuance of any new Rights Certificate under this Section 2.7, the Company or the Rights Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the reasonable fees and expenses of the Rights Agent) connected therewith.
- (d) Every new Rights Certificate issued pursuant to this Section 2.7 in lieu of any destroyed, lost or stolen Rights Certificate shall evidence an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Rights Certificate shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Agreement equally and proportionately with any and all other Rights, duly issued hereunder.

2.8 Persons Deemed Owners of Rights

The Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the Person, in whose name a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby for all purposes whatsoever. In this Agreement, unless the context otherwise requires, the term "holder" of any Right means the registered holder of such Right (or, prior to the Separation Time, the associated Common Share).

2.9 Delivery and Cancellation of Certificates

No Rights Certificate shall be countersigned in lieu of or in exchange for any Rights Certificates cancelled as provided in this Section 2.9, except as expressly permitted by this Agreement. The Rights Agent shall, subject to applicable laws, destroy all cancelled Rights Certificates and deliver a certificate of destruction to the Company on request.

2.10 Agreement of Rights Holders

Every holder of Rights, by accepting the same, consents and agrees with the Company and the Rights Agent and with every other holder of Rights that:

- (a) such holder of Rights shall be bound by and subject to the provisions of this Agreement, as amended from time to time in accordance with the terms hereof, in respect of all Rights held;
- (b) prior to the Separation Time, each Right will be transferable only together with, and will be transferred by a transfer of, the associated Common Share certificate representing such Right;
- (c) after the Separation Time, the Rights Certificates will be transferable only on the Rights Register as provided herein;
- (d) prior to due presentment of a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) for registration of transfer, the Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the Person in whose name the Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on such Rights Certificate or the associated Common Share certificate made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent shall be affected by any notice to the contrary;
- (e) such holder of Rights has waived his right to receive any fractional Rights or any fractional shares or other securities upon exercise of a Right (except as provided herein); ~~and~~
- (f) notwithstanding anything in this Agreement to the contrary, neither the Company nor the Rights Agent shall have any liability to any holder of a Right or any other Person as a result of its inability to perform any of its obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree or ruling issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise restraining performance of such obligation; and
- (g) subject to the provisions of Section 5.5, without the approval of any holder of Rights or Voting Securities and upon the sole authority of the Board of Directors, acting in good faith, this Agreement may be supplemented or amended from time to time pursuant to and as provided herein.

2.11 Rights Certificate Holder Not Deemed a Shareholder

No holder, as such, of any Rights or Rights Certificate shall be entitled to vote, receive distributions or be deemed for any purpose whatsoever the holder of any Common Share or any other share or security of the Company which may at any time be issuable on the exercise of the Rights represented thereby, nor shall anything contained herein or in any Rights Certificate be construed or deemed or confer upon the holder of any Right or Rights Certificate, as such, any right, title, benefit or privilege of a holder of Common Shares or any other shares or securities of the Company or any right to vote at any meeting of shareholders of the Company whether for the election of directors or otherwise or upon any matter submitted to holders of Common Shares or any other shares of the Company at any meeting thereof, or to give or withhold consent to any action of the Company, or to receive notice of any meeting or other action affecting any holder of Common Shares or any other shares of the Company except as expressly provided herein, or to receive distributions, distributions or subscription rights, or otherwise, until the Right or Rights evidenced by Rights Certificates shall have been duly exercised in accordance with the terms and provisions hereof.

ARTICLE 3 — ADJUSTMENTS TO THE RIGHTS IN THE EVENT OF CERTAIN TRANSACTIONS

3.1 Flip-in Event

- (a) Subject to Subsection 3.1(b) and Sections 5.1 and 5.2, in the event that prior to the Expiration Time a Flip-in Event shall occur, the Company shall take such action as shall be necessary to ensure and provide,

within 10 Business Days thereafter or such longer period as may be required to satisfy the requirements of the applicable securities laws or comparable legislation so that, except as provided below, each Right shall thereafter constitute the right to purchase from the Company, upon exercise thereof in accordance with the terms hereof, that number of Common Shares having an aggregate Market Price on the date of consummation or occurrence of such Flip-in Event equal to twice the Exercise Price for an amount in cash equal to the Exercise Price (such right to be appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 in the event that after such occurrence, an event of a type analogous to any of the events described in Section 2.3 shall have occurred).

- (b) Notwithstanding anything in this Agreement to the contrary, upon the occurrence of any Flip-in Event, any Rights that are or were Beneficially Owned on or after the earlier of the Separation Time or the Stock Acquisition Date by:
- (i) an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Affiliate or Associate of such Person acting jointly or in concert with an Acquiring Person); or
 - (ii) a transferee of Rights, directly or indirectly, from an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Affiliate or Associate of an Acquiring Person), where such transferee becomes a transferee concurrently with or subsequent to the Acquiring Person becoming such in a transfer that the Board of Directors has determined is part of a plan, understanding or scheme of an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Affiliate or Associate of such Person acting jointly or in concert with an Acquiring Person), that has the purpose or effect of avoiding this Clause 3.1(b),

shall become null and void without any further action, and any holder of such Rights (including transferees) shall thereafter have no right to exercise such Rights under any provision of this Agreement and further shall thereafter not have any other rights whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise.

- (c) Any Rights Certificate that represents Rights Beneficially Owned by a Person described in either Clause 3.1(b)(i) or (ii) or transferred to any nominee of any such Person, and any Rights Certificate issued upon the transfer, exchange, replacement or adjustment of any other Rights Certificate referred to in this sentence, shall contain the following legend:

“The Rights represented by this Rights Certificate were issued to a Person who was an Acquiring Person or an Affiliate or an Associate of an Acquiring Person or a Person who was acting jointly or in concert with an Acquiring Person or an Affiliate or Associate of an Acquiring Person (as such terms are defined in the Shareholder Rights Plan Agreement). This Rights Certificate and the Rights represented hereby are void or shall become void in the circumstances specified in Subsection 3.1(b) of the Shareholder Rights Plan Agreement.”

provided, however, that the Rights Agent shall not be under any responsibility to ascertain the existence of facts that would require the imposition of such legend but shall impose such legend only if instructed to do so by the Company in writing or if a holder fails to certify upon transfer or exchange in the space provided on the Rights Certificate that such holder is not a Person described in such legend.

ARTICLE 4 — THE RIGHTS AGENT

4.1 General

- (a) The Company hereby appoints the Rights Agent to act as agent for the Company and the holders of the Rights in accordance with the terms and conditions hereof, and the Rights Agent hereby accepts such appointment. The Company may from time to time appoint such co-Rights Agents (the “**Co-Rights Agents**”) as it may deem necessary or desirable subject to the approval of the Rights Agent. In the event the Company appoints one or more Co-Rights Agents, the respective duties of the Rights Agent and Co-Rights Agents shall be as the Company may determine. The Company agrees to pay to the Rights Agent

reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, its reasonable expenses and counsel fees and other disbursements reasonably incurred in the execution and administration of this Agreement and the exercise and performance of its duties hereunder, with the prior approval of the Company. The Company also agrees to indemnify the Rights Agent and its directors, officers, employees and agents for, and to hold them harmless against, any loss, liability, or expense, incurred without gross negligence, bad faith or wilful misconduct on the part of the Rights Agent, for anything done or omitted by the Rights Agent in connection with the acceptance and administration of this Agreement, including the costs and expenses of defending against any claim of liability, which right to indemnification will survive the termination of this Agreement.

- (b) The Rights Agent shall be protected and shall incur no liability for or in respect of, any action taken, suffered or omitted by it in connection with its administration of this Agreement in reliance upon any certificate for Common Shares, Rights Certificate, certificate for other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, statement, or other paper or document believed by it to be genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper Person or Persons.
- (c) The Company shall inform the Rights Agent in a reasonably timely manner of events which may materially affect the administration of this Agreement by the Rights Agent and, at any time upon request shall provide to the Rights Agent an incumbency certificate certifying the then current officers of the Company.

4.2 Merger, Amalgamation or Consolidation or Change of Name of Rights Agent

- (a) Any corporation into which the Rights Agent may be merged or amalgamated or with which it may be consolidated, or any corporation resulting from any merger, amalgamation, statutory arrangement or consolidation to which the Rights Agent or any successor Rights Agent is a party, or any corporation succeeding to the shareholder services business of the Rights Agent or any successor Rights Agent, will be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided that such corporation would be eligible for appointment as a successor Rights Agent under the provisions of Section 4.4 hereof. In case, at the time such successor Rights Agent succeeds to the agency created by this Agreement, any of the Rights Certificates have been countersigned but not delivered, any such successor Rights Agent may adopt the countersignature of the predecessor Rights Agent and deliver such Rights Certificates so countersigned; and in case at that time any of the Rights Certificates have not been countersigned, any successor Rights Agent may countersign such Rights Certificates in the name of the predecessor Rights Agent or in the name of the successor Rights Agent; and in all such cases such Rights Certificates will have the full force provided in the Rights Certificates and in this Agreement.
- (b) In case at any time the name of the Rights Agent is changed and at such time any of the Rights Certificates shall have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Rights Certificates so countersigned; and in case at that time any of the Rights Certificates shall not have been countersigned, the Rights Agent may countersign such Rights Certificates either in its prior name or in its changed name; and in all such cases such Rights Certificates shall have the full force provided in the Rights Certificates and in this Agreement.

4.3 Duties of Rights Agent

The Rights Agent undertakes the duties and obligations imposed by this Agreement upon the following terms and conditions, all of which the Company and the holders of certificates for Common Shares and the holders of Rights Certificates, by their acceptance thereof, shall be bound:

- (a) the Rights Agent may at the Company's expense retain and consult with legal counsel (who may be legal counsel for the Company) and the opinion of such counsel will be full and complete authorization and protection to the Rights Agent as to any action taken or omitted by it in good faith and in accordance with such opinion; the Rights Agent may also, with the prior approval of the Company, consult with such other experts as the Rights Agent shall consider necessary or appropriate to properly carry out the duties and

obligations imposed under this Agreement and the Rights Agent shall be entitled to act and rely in good faith on the advice of any such expert or advisor;

- (b) whenever in the performance of its duties under this Agreement, the Rights Agent deems it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by a Person believed by the Rights Agent to be the President, Chief Executive Officer or Vice-President, Chief Financial Officer of the Company and delivered to the Rights Agent; and such certificate will be full authorization to the Rights Agent for any action taken, omitted or suffered in good faith by it under the provisions of this Agreement in reliance upon such certificate;
- (c) the Rights Agent will be liable hereunder only for its own gross negligence, bad faith or wilful misconduct;
- (d) the Rights Agent will not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the certificates for Common Shares or the Rights Certificates (except its countersignature thereof) or be required to verify the same, but all such statements and recitals are and will be deemed to have been made by the Company only;
- (e) the Rights Agent will not be under any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due authorization, execution and delivery hereof by the Rights Agent) or in respect of the validity or execution of any certificate for a Common Share or Rights Certificate (except its countersignature thereof); nor will it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Rights Certificate; nor will it be responsible for any change in the exercisability of the Rights (including the Rights becoming void pursuant to Subsection 3.1(b) hereof) or any adjustment required under the provisions of Section 2.3 hereof or responsible for the manner, method or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights after receipt of the certificate contemplated by Section 2.3 describing any such adjustment); nor will it by any act hereunder be deemed to make any representation or warranty as to the authorization of any Common Shares to be issued pursuant to this Agreement or any Rights or as to whether any Common Shares will, when issued, be duly and validly authorized, executed, issued and delivered and fully paid and non-assessable;
- (f) the Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement;
- (g) the Rights Agent is hereby authorized and directed to accept instructions in writing with respect to the performance of its duties hereunder from any person believed by the Rights Agent to be the President, Chief Executive Officer or Vice-President, Chief Financial Officer of the Company, and to apply to such persons for advice or instructions in connection with its duties, and it shall not be liable for any action taken, omitted or suffered by it in good faith in accordance with instructions of any such person;
- (h) the Rights Agent and any shareholder, director, officer or employee of the Rights Agent may buy, sell or deal in Common Shares, Rights or other securities of the Company or become pecuniarily interested in any transaction in which the Company may be interested, or contract with or lend money to the Company or otherwise act as fully and freely as though it were not Rights Agent under this Agreement;
- (i) nothing herein shall preclude the Rights Agent from acting in any other capacity for the Company or for any other legal entity; and
- (j) the Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Rights Agent will not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company resulting from any such act, default, neglect or misconduct, provided reasonable care was exercised in good faith in the selection and continued employment thereof.

4.4 Change of Rights Agent

The Rights Agent may resign and be discharged from its duties under this Agreement upon 60 days' notice (or such lesser notice as is acceptable to the Company) in writing mailed to the Company and to each transfer agent of Common Shares by registered or certified mail. The Company may remove the Rights Agent upon 60 days' notice in writing, mailed to the Rights Agent and to each transfer agent of the Common Shares by registered or certified mail and to the holders of the Rights in accordance with Section 5.10. If the Rights Agent should resign or be removed or otherwise become incapable of acting, the Company will appoint a successor to the Rights Agent. If the Company fails to make such appointment within a period of 60 days after such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent, then by prior written notice to the Company the resigning Rights Agent or the holder of any Rights (which holder shall, with such notice, submit such holder's Rights Certificate, if any, for inspection by the Company), may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. Any successor Rights Agent, whether appointed by the Company or by such a court, shall be a corporation incorporated under the laws of Canada or a province thereof authorized to carry on business in the Province of Ontario. After appointment, the successor Rights Agent will be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed; but the predecessor Rights Agent upon receipt of any and all outstanding amounts owing by the Company to the Rights Agent pursuant to this Agreement, shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for the purpose. Not later than the effective date of any such appointment, the Company will file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Common Shares and mail a notice thereof in writing to the holders of the Rights in accordance with Section 5.10. Failure to give any notice provided for in this Section 4.4, however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of the any successor Rights Agent, as the case may be.

4.5 Compliance with Money Laundering Legislation

The Rights Agent shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Rights Agent reasonably determines that such an act might cause it to be in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline. Further, should the Rights Agent reasonably determine at any time that its acting under this Agreement has resulted in it being in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline, then it shall have the right to resign on 10 days' written notice to the Company, provided: (i) that the Rights Agent's written notice shall describe the circumstances of such non-compliance; and (ii) that if such circumstances are rectified to the Rights Agent's satisfaction within such 10-day period, then such resignation shall not be effective.

4.6 Privacy Provision

The parties acknowledge that federal and/or provincial legislation that addresses the protection of individual's personal information (collectively, "**Privacy Laws**") applies to obligations and activities under this Agreement. Despite any other provision of this Agreement, neither party will take or direct any action that would contravene, or cause the other to contravene, applicable Privacy Laws. The Company will, prior to transferring or causing to be transferred personal information to the Rights Agent, obtain and retain required consents of the relevant individuals to the collection, use and disclosure of their personal information, or will have determined that such consents either have previously been given upon which the parties can rely or are not required under the Privacy Laws. The Rights Agent will use commercially reasonable efforts to ensure that its services hereunder comply with Privacy Laws.

4.7 Liability

Notwithstanding any other provision of this Agreement, and whether such losses or damages are foreseeable or unforeseeable, the Rights Agent shall not be liable under any circumstances whatsoever for any (a) breach by any other party of securities law or other rule of any securities regulatory authority, (b) lost profits, or (c) special, indirect, incidental, consequential, exemplary, aggravated or punitive losses or damages.

ARTICLE 5 — MISCELLANEOUS

5.1 Redemption of Rights

- (a) Until the occurrence of a Flip-in Event, as to which the application of Section 3.1 has not been waived pursuant to Section 5.2, the Board of Directors, may at any time, with the consent of the holders of Voting Securities or Rights (obtained as described set forth in Subsection 5.5(b) or 5.5(c), respectively), elect to redeem all but not less than all of the then outstanding Rights at a redemption price of \$0.0001 per Right, appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3, if an event of the type analogous to any of the events described in Section 2.3 shall have occurred (such redemption price being herein referred to as the “**Redemption Price**”).
- (b) If a Person acquires, pursuant to a Permitted Bid or a Competing Permitted Bid or pursuant to an Exempt Acquisition occurring under Subsection 5.2(b) hereof, outstanding Voting Securities, the Board of Directors of the Company shall, immediately upon such acquisition and without further formality, be deemed to have elected to redeem the Rights at the Redemption Price.
- (c) Where a Take-over Bid that is not a Permitted Bid or Competing Permitted Bid expires, is withdrawn or otherwise terminated after the Separation Time has occurred and prior to the occurrence of a Flip-in Event, the Board of Directors may elect to redeem all of the outstanding Rights at the Redemption Price.
- (d) If the Board of Directors elects to or is deemed to have elected to redeem the Rights (i) the right to exercise the Rights will thereupon, without further action and without notice, terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price, and (ii) subject to Subsection 5.1(f), no further Rights shall thereafter be issued.
- (e) Within 10 Business Days of the Board of Directors electing or having been deemed to have elected to redeem the Rights, the Company shall give notice of redemption to the holders of the then outstanding Rights by mailing such notice to each such holder at his last address as it appears upon the Rights Register of the Rights Agent, or, prior to the Separation Time, on the share register maintained by the Company’s transfer agent or transfer agents. Each such notice of redemption shall state the method by which the payment of the Redemption Price shall be made.
- (f) Upon the Rights being redeemed pursuant to Subsection 5.1(c), all the provisions of this Agreement shall continue to apply as if the Separation Time had not occurred and Rights Certificates representing the number of Rights held by each holder of record of Common Shares as of the Separation Time had not been mailed to each such holder and for all purposes of this Agreement, the Separation Time shall be deemed not to have occurred.

5.2 Waiver of Flip-In Events

- (a) Subject to the prior consent of the holder of Voting Securities obtained as set forth in Subsection 5.5(b), the Board of Directors may, at any time prior to the occurrence of a Flip-in Event that would occur by reason of an acquisition of Voting Securities otherwise than pursuant to a Take-over Bid made by means of a take-over bid circular to all holders of Voting Securities or otherwise than in the circumstances set forth in Subsection 5.2(c), waive the application of Section 3.1 to such Flip-in Event by written notice delivered to the Rights Agent. In such event, the Board of Directors shall extend the Separation Time to a date at least 10 Business Days subsequent to the meeting of Shareholders called to approve such waiver.
- (b) The Board of Directors may, at any time prior to the occurrence of a Flip-in Event that would occur as a result of a Take-over Bid made by way of a take-over bid circular sent to all holders of Voting Securities, waive the application of Section 3.1 to such Flip-in Event by written notice delivered to the Rights Agent; provided, however, that if the Board of Directors waives the application of Section 3.1 to such a Flip-in Event, the Board of Directors shall be deemed to have waived the application of Section 3.1 to any other Flip-in Event occurring by reason of any Take-over Bid which is made by means of a take-over bid circular to all holders of Voting Securities prior to the expiry of any Take-over Bid in respect of which a waiver is, or is deemed to have been, granted under this Subsection 5.2(b).

- (c) The Board of Directors may waive the application of Section 3.1 in respect of the occurrence of any Flip-in Event if the Board of Directors has determined that a Person became an Acquiring Person by inadvertence and without any intention to become, or knowledge that it would become, an Acquiring Person under this Agreement and, in the event that such a waiver is granted by the Board of Directors, such Stock Acquisition Date shall be deemed not to have occurred. Any such waiver pursuant to this Subsection 5.2(c) must be on the condition that such Person, within 14 days after the foregoing determination by the Board of Directors or such earlier or later date as the Board of Directors may determine (the “**Disposition Date**”), has reduced its Beneficial Ownership of Voting Securities such that the Person is no longer an Acquiring Person. If the Person remains an Acquiring Person at the close of business on the Disposition Date, the Disposition Date shall be deemed to be the date of occurrence of a further Stock Acquisition Date and Section 3.1 shall apply thereto.

5.3 Expiration

No Person shall have any rights whatsoever pursuant to this Agreement or in respect of any Right after the Expiration Time, except the Rights Agent as specified in Subsection 4.1(a) of this Agreement.

5.4 Issuance of New Rights Certificates

Notwithstanding any of the provisions of this Agreement or of the Rights to the contrary, the Company may, at its option, issue new Rights Certificates evidencing Rights in such form as may be approved by the Board of Directors to reflect any adjustment or change in the number or kind or class of securities purchasable upon exercise of Rights made in accordance with the provisions of this Agreement.

5.5 Supplements and Amendments

- (a) The Company may, at any time without the approval of shareholders of the Company or holders of Rights, make amendments to this Agreement to correct any clerical or typographical error or which are required to maintain the validity of this Agreement as a result of any change in any applicable legislation or regulations or rules thereunder. Notwithstanding anything in this Section 5.5 to the contrary, no such supplement or amendment shall be made to the provisions of Article 4 except with the written concurrence of the Rights Agent to such supplement or amendment.
- (b) Subject to Subsection 5.5(a), the Company may, with the prior consent of the holders of Voting Securities obtained as set forth below, at any time prior to the Separation Time, supplement, amend, vary, rescind or delete any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally). Such consent shall be deemed to have been given if the action requiring such approval is authorized by the affirmative vote of a majority of the votes cast by Independent Shareholders present or represented at and entitled to be voted at a meeting of the holders of Voting Securities duly called and held in compliance with applicable laws and the articles of the Company.
- (c) The Company may, with the prior consent of the holders of Rights, at any time on or after the Separation Time, supplement, amend, vary, rescind or delete any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally), provided that no such amendment, variation or deletion shall be made to the provisions of Article 4 except with the written concurrence of the Rights Agent thereto. Such consent shall be deemed to have been given if such amendment, variation or deletion is authorized by the affirmative votes of the holders of Rights present or represented at and entitled to be voted at a meeting of the holders and representing 50% plus one of the votes cast in respect thereof.
- (d) Any approval of the holders of Rights shall be deemed to have been given if the action requiring such approval is authorized by the affirmative votes of the holders of Rights present or represented at and entitled to be voted at a meeting of the holders of Rights and representing a majority of the votes cast in respect thereof. For the purposes hereof, each outstanding Right (other than Rights which are void pursuant to the provisions hereof) shall be entitled to one vote, and the procedures for the calling, holding

and conduct of the meeting shall be those, as nearly as may be, which are provided in the Company's articles of incorporation and by-laws with respect to meetings of shareholders of the Company.

- (e) Any amendments made by the Company to this Agreement pursuant to Subsection 5.5(a) which are required to maintain the validity of this Agreement as a result of any change in any applicable legislation or regulation thereunder shall:
 - (i) if made before the Separation Time, be submitted to the holders of Voting Securities of the Company at the next meeting of holders of Voting Securities and the holders of Voting Securities may, by the majority referred to in Subsection 5.5(b), confirm or reject such amendment;
 - (ii) if made after the Separation Time, be submitted to the holders of Rights at a meeting to be called for on a date not later than immediately following the next meeting of shareholders of the Company and the holders of Rights may, by resolution passed by the majority referred to in Subsection 5.5(d), confirm or reject such amendment.

Any such amendment shall, unless the Board of Directors otherwise stipulates, be effective from the date of the resolution of the Board of Directors adopting such amendment, until it is confirmed or rejected or until it ceases to be effective (as described in the next sentence) and, where such amendment is confirmed, it continues in effect in the form so confirmed. If such amendment is rejected by the shareholders or the holders of Rights or is not submitted to the shareholders or holders of Rights as required, then such amendment shall cease to be effective from and after the termination of the meeting at which it was rejected or to which it should have been but was not submitted or from and after the date of the meeting of holders of Rights that should have been but was not held, and no subsequent resolution of the Board of Directors to amend this Agreement to substantially the same effect shall be effective until confirmed by the shareholders or holders of Rights, as the case may be.

5.6 Fractional Rights and Fractional Shares

- (a) The Company shall not be required to issue fractions of Rights or to distribute Rights Certificates which evidence fractional Rights. After the Separation Time, in lieu of issuing fractional Rights, the Company shall pay to the holders of record of the Rights Certificates (provided the Rights represented by such Rights Certificates are not void pursuant to the provisions of Subsection 3.1(b), at the time such fractional Rights would otherwise be issuable), an amount in cash equal to the fraction of the Market Price of one whole Right that the fraction of a Right that would otherwise be issuable is of one whole Right.
- (b) The Company shall not be required to issue fractions of Common Shares upon exercise of Rights or to distribute certificates which evidence fractional Common Shares. In lieu of issuing fractional Common Shares, the Company shall pay to the registered holders of Rights Certificates, at the time such Rights are exercised as herein provided, an amount in cash equal to the fraction of the Market Price of one Common Share that the fraction of a Common Share that would otherwise be issuable upon the exercise of such Right is of one whole Common Share at the date of such exercise.

5.7 Rights of Action

Subject to the terms of this Agreement, all rights of action in respect of this Agreement, other than rights of action vested solely in the Rights Agent, are vested in the respective holders of the Rights. Any holder of Rights, without the consent of the Rights Agent or of the holder of any other Rights, may, on such holder's own behalf and for such holder's own benefit and the benefit of other holders of Rights, enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce such holder's right to exercise such holder's Rights, or Rights to which such holder is entitled, in the manner provided in such holder's Rights and in this Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Agreement and will be entitled to specific performance of the obligations under, and injunctive relief against actual or threatened violations of the obligations of any Person subject to, this Agreement.

5.8 Regulatory Approvals

Any obligation of the Company or action or event contemplated by this Agreement shall be subject to the receipt of any requisite approval or consent from any governmental or regulatory authority. Without limiting the generality of the foregoing, any issuance of or delivery of equity securities of the Company upon the exercise of Rights and any amendment or supplement to this Agreement shall be subject to the prior necessary approvals of the Toronto Stock Exchange and any other exchange upon which the Common Shares may be listed to the extent required by the rules of the Toronto Stock Exchange or other exchange at the relevant time.

5.9 Declaration as to Non-Canadian Holders

If in the opinion of the Board of Directors (who may rely upon the advice of counsel) any action or event contemplated by this Agreement would require compliance by the Company with the securities laws or comparable legislation of a jurisdiction outside Canada, the Board of Directors acting in good faith shall take such actions as it may deem appropriate to ensure such compliance. In no event shall the Company or the Rights Agent be required to issue or deliver Rights or securities issuable on exercise of Rights to Persons who are citizens, residents or nationals of any jurisdiction other than Canada, in which such issue or delivery would be unlawful without registration of the relevant Persons or securities for such purposes. If it would be necessary in any jurisdiction other than Canada to register any of the Rights or securities issuable on exercise of Rights prior to such issue or delivery, the Company will use its best efforts to establish procedures whereby shareholders entitled to such Rights, or holders of Rights entitled to securities upon the exercise of Rights, will have the ability to trade or exercise such Rights, or and be issued such securities, without the need to register those securities in the jurisdiction in which they reside, through the establishment of a trustee to hold and sell such securities in Canada, or such other mechanism as the Board of Directors believes is appropriate.

5.10 Notices

- (a) Notices or demands authorized or required by this Agreement to be given or made by the Rights Agent or by the holder of any Rights to or on the Company shall be sufficiently given or made if delivered, sent by first class mail, postage prepaid, or sent by facsimile or other form of recorded electronic communication, charges prepaid and confirmed in writing, as follows:

5.12 Successors

All the covenants and provisions of this Agreement by or for the benefit of the Company or the Rights Agent shall bind and enure to the benefit of their respective successors and assigns hereunder.

5.13 Benefits of this Agreement

Nothing in this Agreement shall be construed to give to any Person other than the Company, the Rights Agent and the holders of the Rights any legal or equitable right, remedy or claim under this Agreement; further, this Agreement shall be for the sole and exclusive benefit of the Company, the Rights Agent and the holders of the Rights.
