

Messaging for Family Councils and Family Members

Cedarvale Lodge Care Community resumed outdoor family visits on Thursday June 18th at 30 minute intervals per resident. We had experienced challenges with the heat advisory however we were able to accommodate some outdoor visits. As of Wednesday July 22nd, indoor visits will commence in a designated visiting area (Sunroom/Garden B) within the care community. Residents are now able to visit with up to 2 visitors during each scheduled time. Rachel Bickley / Director of Resident Programs will schedule and coordinate the family visits. Family members interested in booking a visit with a resident are asked to call Rachel at Rachel.bickley@siennaliving.ca or 905-476-2656 ext. 752 between the hours of 8-4 Monday to Friday.

Outdoor visits will take place at Large Patio off the dining room and inside of the care community in the sunroom and will be facilitated by one of our team members to ensure visits follow safe social distancing and infection control practices.
